A. Salvage and Recovery Clause

All salvages, recoveries and payments recovered or received subsequent to a loss settlement under this policy shall be applied as if recovered or received prior to the settlement, and adjustments will be made for you and us.

B. Inspections and Audits

We have the right, but are not obligated, to:

1. Make inspections and surveys at any time.
2. Give you reports on the conditions we find.
3. Recommend changes.

Inspections are only related to insurability. We do not make safety inspections or warrant that conditions are safe.

We may examine and audit your books and records as they relate to this policy at any time during the policy period and up to three years after the policy expiration date. There is no time limit on auditing your books and records with respect to "claims" under this policy.

C. Cancellation

1. The first Named Insured shown in the Declarations may cancel this policy, only at its anniversary or expiration date, by mailing or delivering to us written notice of cancellation at least 60 days prior to the anniversary date.
2. We may cancel this policy by mailing or delivering the first Named Insured written notice of cancellation at least:
 - a. 10 days prior to the effective date of cancellation if we cancel for nonpayment of premium; or
 - b. 60 days prior to this policy's anniversary or expiration date, if we cancel for any other reason.

4. Notice of cancellation will state the effective date of cancellation. The policy period will end on that day.
5. If this policy is cancelled the Aggregate Loss Fund will be considered fully earned.
6. If notice is mailed, proof of mailing will be sufficient proof of notice.

D. Bankruptcy

Bankruptcy or insolvency of the insured, or any entity comprising the insured, will not relieve us of our obligations under this policy.

E. Other Insurance

If other valid and collectible insurance is available to the insured for damages covered by this policy, our obligations are limited as follows:

1. This insurance (including the underlying applicable Self-Insured Retention shown in the Declarations) applies excess of:
 - a. Any property, inland marine, automobile physical damage or crime insurance.
 - b. Any general liability, law enforcement liability, employee benefit liability, employment practices liability, public officials liability or directors and officers liability insurance.
 - c. Any business auto or commercial auto liability.
 - d. Any other insurance that protects the insured as an Additional Insured.

2. Excess Insurance

If other insurance is available to you that covers a loss or damage that is also covered by this policy, except for insurance purchased to apply specifically in excess of this policy, then coverage provided by this policy will apply in excess of the other valid and collectible insurance.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss or damage, if any, that exceeds the sum of:

- a. The total amount that all such other insurance would pay for the loss or damage in the absence of this insurance; and
- b. The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss or damage, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of this insurance.

3. Method of Sharing

If all of the other insurance requires contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss or damage remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

Nothing contained in Condition E shall increase this policy's Limits of Insurance.

F. Mortgage Clause

We will pay for covered loss of or damage to property to each mortgage holder, lienholder or creditor to the extent of their interest as of the date of loss or damage subject to the Limits of Insurance as stated in the Declarations and subject to all terms and conditions of this policy.

G. Loss Payments

We agree to promptly reimburse you for all sums you have paid, in excess of the applicable Self-Insured Retention, for which coverage is provided by this policy.

H. Appeals

In the event that you and we do not agree to appeal a judgment both parties agree to retain a disinterested attorney to render a written opinion regarding the appeal. The written opinion is binding on both of us. The cost and expenses for the opinion will be shared equally by you and us. Your portion of the cost and expenses will not reduce the Aggregate Loss Fund.

I. Litigation Proceedings

You may not sue us to recover for any loss or damage under this insurance for at least 90 days after you have provided us with a completed proof of loss statement.

J. Subrogation and Recoveries

1. If any Insured has rights to recover all or part of any payments we have made under this policy, those rights are transferred to us. You must do nothing after a loss to impair those rights. At our request you must bring "suit" or transfer those rights to us and help us to enforce them.
2. If there are any payments recovered by us, we will disburse those payments as follows:
 - a. The cost of recovery will be deducted from the recovery and repaid in proportion to actual payments made by you, other insurers or us for the expense of recovery.
 - b. After deducting the cost of recovery, if any money remains, it will be repaid in proportion to the actual "claim" payments made by you, other insurers or us.

K. Transfer of your Rights and Duties Under This Policy

Your rights and duties under this policy must not be transferred without our prior written consent.

2. Those statements are based upon representations you made to us.

4. The property covered by this insurance or your interest in the covered property; or
5. A "claim" under this policy.

N. Insurance Under Two or More Policy Periods

If insurance under two or more policy periods apply to the same "event," "accident," "occurrence" or "claim," due to either a continuous "occurrence" or the potential application of both "occurrence" and claims-made coverage to the same "event," "accident," "occurrence," or "claim," any "ultimate net loss" shall not exceed the limit for the policy period in effect when such "event," "accident" or "occurrence" giving rise to any "claim" first takes place, and any "ultimate net loss" will be allocated strictly to that policy period, even if such "event," "accident," "occurrence," or "claims" arising therefrom, continue after the termination of that policy.

O. Association

We have the right to associate with any insured in any "claim" or "suit." We may, at our discretion, investigate any "claim" or "suit." The amount we will pay for damages is limited as described in SECTION II - LIMITS OF INSURANCE, of Coverage Part II, and as described in SECTION II – LIMITS OF INSURANCE, of Coverage Part III, and as described is SECTION III – LIMITS OF INSURANCE, of Coverage Part IV.  - b. All necessary expenses that reduce the "business income" loss that otherwise would have been incurred.
- C. RESUMPTION OF OPERATIONS: We will reduce the amount of your loss based on:

The appraisers together shall obtain reconstruction, replacement or repair estimates, and calculate the amounts of reimbursement due, and failing to agree, will submit their differences to the umpire.
- The award in writing and verified by any two shall determine the points in question. Both parties shall pay the cost of their own appraisers and equally pro rate the cost of the umpire.
- G. CIVIL AUTHORITY CLAUSE: We will pay for loss or damage to Covered Property caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part, provided that the destruction is not caused or contributed to by war, invasion, revolution, rebellion, insurrection or other hostilities or warlike "operations."
- H. ORDINANCE DEFICIENCY. INCREASED COST OF CONSTRUCTION: If a "covered cause of loss" occurs to a Covered Property, then subject to the Limit of Insurance, we will pay for:

For loss payable under paragraph:

1. 1 above, we will pay up to the amount you actually spend to repair, rebuild or reconstruct the Covered Property, but not more than the amount it would cost to restore the Covered Property on the same "premises" and to the same height, floor area, style and comparable quality of the original Covered Property insured.
 2. 2 above, we will not pay more than the amount you actually spend to demolish and clear the site of the Covered Property.
 3. 3 above, we will not pay for the increased cost of construction unless repair or replacement is either complete or commences and is continuing within 24 months of the date of loss. If repair or replacement is not complete within this time period, the most we will pay is the "actual cash value" of the Covered Property on the date of loss or damage.
- I. **EXPENSE TO REDUCE OR PREVENT LOSS:** You will take all reasonable steps to protect Covered Property from further loss or damage and keep a record of your expenses necessary to protect Covered Property, for consideration in the settlement of your "claim." This expense will not increase the Limit of Insurance. We will not pay for any subsequent loss or damage resulting from a cause of loss that is not a "covered cause of loss," nor shall we pay expenses exceeding the amount by which the loss or damage is reduced.
- J. **JOINT LOSS CLAUSE:** When this policy and a Boiler and Machinery policy carried by the Named Insured, contain provisions with substantially the same requirements, procedures and conditions and the damage to the Covered Property was caused by a loss for which both we and the Boiler and Machinery insurer(s) admit to some liability for payment under respective policies, we and the Boiler and Machinery insurer(s) will make payments to the extent, and in the manner described below:

 4. The amount we will pay shall not exceed the amount we would have paid had no Boiler and Machinery insurance been in effect at the time of loss.
 5. We and the Boiler and Machinery insurer(s) agree to submit our differences to arbitration.
 6. You agree to cooperate with any arbitration procedures. There will be three arbitrators: one will be appointed by us, and another will be appointed by the Boiler and Machinery insurer(s). The two arbitrators will select a third arbitrator. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. A decision agreed to by two of the three arbitrators will be binding. Judgment on the award can be entered in any court that has jurisdiction.

- M. **LOSS INVOLVING THE PROPERTY OF OTHERS:** In the event of loss or damage, which is likely to exceed the applicable Self Insured Retention indicated in the Declarations, involving property of others in your care, custody or control, we have the right to associate with you in efforts to settle the loss or damage with the owners of the property and to associate with you in the defense of any legal proceedings brought against you for damage to or loss of the property.
- N. The following additional condition applies to Coverage D. Property in Transit: You may accept without prejudice to this insurance, ordinary bills of lading or receipts issued by carriers including those containing released and/or partially released value provisions, but you will not enter into any special agreement with the carriers releasing them from their common law or statutory liability.

ENDORSEMENT – TERRORIST ACTIVITY EXCLUSION – SFP EXCEPTION

This endorsement modifies insurance under the following:

ALL LINES AGGREGATE COVERAGE FORM – GENERAL POLICY EXCLUSIONS

With respect to the Excess Workers Compensation and Employers Liability Coverage Part, this exclusion only applies to the insurance provided for Employers Liability Insurance.

This endorsement changes the policy effective on the inception date of the policy unless another date is indicated above.

With respect to this policy and any endorsements thereto, the following exclusion is added and supersedes any provision to the contrary.

This insurance does not apply to:

All injury, damage, loss, cost or expense, caused by, resulting from, arising out of or related to, either directly or indirectly, any "Terrorist Activity," as defined herein, and any action taken to hinder, defend against or respond to any such activity. This exclusion applies regardless of any other cause or event that in any way contributes concurrently or in any sequence to the injury, damage, loss, cost or expense.

But, if the "Terrorist Activity" occurs in an "Exception State" and results in fire, we will pay for the loss or damage in such "Exception State" caused by that fire, but only to the extent, if any, required by the applicable Standard Fire Policy statute(s) in such state. However, this exception applies only to direct loss or damage by fire to covered property and not to any insurance provided for time element coverages, including but not limited to business interruption and extra expense. In no event shall this policy be construed to give coverage beyond the minimum requirements of the applicable Standard Fire Policy

statute (and amendments thereto) in existence as of the effective date of the policy and governing such requirements with respect to any acts of terrorism. If the applicable law or regulation in any state permits the Commissioner or Director of Insurance or anyone in a similar position to grant the insurer approval to vary the terms and conditions of the Standard Fire Policy, and such approval has been granted in that state as of the effective date of this policy, this policy shall not provide coverage beyond the minimum requirements of the terms and conditions approved by the Commissioner or Director of Insurance or person in a similar position.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a Program Year (January 1 through December 31) and the Company has met their insurer deductible under the Terrorism Risk Insurance Act, the Company shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

For the purposes of this exclusion,

A. "Terrorist Activity" shall mean any deliberate, unlawful act that:

1. is declared by any authorized governmental official to be or to involve terrorism, terrorist activity or acts of terrorism; or
2. includes, involves, or is associated with the use or threatened use of force, violence or harm against any person, tangible or intangible property, the environment, or any natural resources, where the act or threatened act is intended, in whole or in part, to
 - a. promote, further or express opposition to any political, ideological, philosophical, racial, ethnic, social or religious cause or objective; or
 - b. influence, disrupt or interfere with any government related operations, activities or policies; or
 - c. intimidate, coerce or frighten the general public or any segment of the general public; or
 - d. disrupt or interfere with a national economy or any segment of a national economy; or
3. includes, involves, or is associated with, in whole or in part, any of the following activities, or the threat thereof:
 - a. hijacking or sabotage of any form of transportation or conveyance, including but not limited to spacecraft, satellite, aircraft, train, vessel, or motor vehicle;
 - b. hostage taking or kidnapping;
 - c. the use or threatened use of or release or threatened release of any nuclear, biological, chemical, or radioactive agent, material, device or weapon;
 - d. the use of any bomb, incendiary device, explosive or firearm;
 - e. the interference with or disruption of basic public or commercial services and systems, including but not limited to the following services or systems: electricity, natural gas, power, postal, communications, telecommunications, information, public transportation, water, fuel, sewer or waste disposal;
 - f. the injuring or assassination of any elected or appointed government official or any government employee;
 - g. the seizure, blockage, interference with, disruption of, or damage to any government buildings, institutions, functions, events, tangible or intangible property or other assets; or
 - h. the seizure, blockage, interference with, disruption of, or damage to tunnels, roads, streets, highways, or other places of public transportation or conveyance.

B. Any of the activities listed in section A.3. above shall be considered "Terrorist Activity" except where the Insured can demonstrate to the Company, that the foregoing activities or threats thereof were

motivated solely by personal objectives of the perpetrator that are unrelated, in whole or in part, to any intention to

1. promote, further or express any opposition to any political, ideological, philosophical, racial, ethnic, social or religious cause or objective; or
 2. influence, disrupt or interfere with any government related operations, activities or policies; or
 3. intimidate, coerce or frighten the general public or any segment of the general public; or
 4. disrupt or interfere with a national economy or any segment of a national economy.
- C. "Exception State" means a state which at the time of policy effective date, requires that the coverage provided under this policy be not more restrictive than that provided under a Standard Fire Policy.
- D. Application of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorist exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this policy, such as losses excluded by a Nuclear Hazard Exclusion or a War Exclusion.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
