

Teammates,

I'm excited to announce a new addition to our DAS Leadership team. Sarah Skinner joined our team this week as the Task Force for Building Renewal Administrator (aka 309 Task Force) and Policy Advisor to the Director. The decision to combine leadership of the 309 Task Force position with our policy and legislative efforts flows from our strategic objective to align our organization around our customers. The primary customers for both of these roles are agency executives and members of the legislature so it makes sense that we achieve the synergy of combining both lines of effort under a single leader.

Sarah's experience will enable her to hit the ground running as we are about to enter a new legislative session. Over the course of her career she served over 6 years in the Nebraska legislature working for Senators Chris Langemeier, Deb Fischer, and Lydia Brasch respectively. After United States Senator Deb Fischer's election to federal office, Sarah joined her State office team where she has been supporting constituent service, outreach, and case management for the past 9 years. Sarah and her husband Brady reside in Lincoln and have two children, ages 11 and 7.

Sarah replaces Michelle Potts as 309 Task Force Administrator. Michelle [assumed leadership](#) over State Building Division in June.

Regards,

**Jason Jackson**

Director, Department of Administrative Services
