

Teammates,

I hope all of you saw the email from last month about our new Total Rewards Statement (Statement). This Statement consolidates for easy viewing the total Cash Compensation, Retirement, Health and Wellness, Insured Income Protection, Educational Assistance, and other forms of incentives into a single statement.

We have incredibly talented, hardworking teammates in DAS and throughout state government and are constantly looking for ways in which we can better support our teammates and the work they do for the people of Nebraska. The State offers some of the most competitive benefits compared to employers throughout Nebraska, and we wanted to be able to provide that information to you in one convenient statement.

On top of [new labor contract agreements](#) signed by Governor Pillen, we also saw a number of exciting benefit offerings over the last year, including [the Children of State Teammates Tuition Reimbursement Program](#). We will continue to look for new ways in which we can support and acknowledge our teammates' public service, so be alert for announcements for new and exciting benefits for state teammates in the coming weeks.

Attached you will find directions on how to access your Statement in the [Payroll and Financial Center](#) (E1). You are encouraged to review and print a copy of your Statement, and you can access your Statement at any time.

If you have any questions concerning the information provided on the Statement, please contact Christy Osentowski at christy.osentowski@nebraska.gov.

Regards,

Jason Jackson
