

Dear Colleagues,

I am excited to join DAS as the new Director and Chief Operating Officer. I am pleased to have met many of you since starting at the department on October 1st. I look forward to meeting the rest of you in the upcoming weeks.

This past week I met with State Building Division and other Division Administrators to go over and approve the new layout for our location. SBD has developed a good plan for remodeling and construction, but it is no easy lift.

Work will begin on October 21st and SBD plans to finish before Thanksgiving. During this time, teams whose work areas are under construction will work remotely until their new workspace is completed. Thank you for your continued patience while we complete the construction and moves.

Again, I'm excited to join the team and am looking forward to meeting you all and accomplishing great things together.

Regards,

Lee Will

DAS Director / Chief Operations Officer

Nebraska Department of Administrative Services
