

Dear Colleagues,

It is my sad news to announce that Autumnne Hovde, our Administrator for Risk Management, will be resigning from DAS at the end of the day on December 6, 2024, to pursue an opportunity that will allow her to spend more time with her young family. I would like to thank Autumnne for her hard work and leadership managing the Risk Management Team during her tenure at DAS.

Considerable thought will go into replacing Autumnne, and I will provide an update on the Risk Management Administrator position in the near future. In the meantime, please join me in wishing Autumnne the best in her future endeavors!

Regards,

Lee Will
