STATE STATUTE

STATUTE 81-118.02 STATES ...

“A state purchasing card program shall be created. The State Treasurer shall contract with a purchasing card vendor and The Department of Administrative Services shall administer the program.”

“Any state official, state agency, or political subdivision may utilize the state purchasing card program for the purchase of goods and services for and on behalf of the State of Nebraska.”

“An itemized receipt for purposes of tracking expenditures shall accompany all state purchasing card purchases. In the event that an itemized receipt does not accompany such a purchase, the Department of Administrative Services shall have the authority to temporarily or permanently suspend state purchasing card purchases in accordance with rules and regulations adopted and promulgated by the department.”

“Upon the termination or suspension of employment of an individual using a state purchasing card account, such individual’s state purchasing card account shall be immediately closed and he or she shall return the state purchasing card to the department or agency from which it was obtained.”

“No officer or employee of the state shall use a state purchasing card for any unauthorized use as determined by the department by rule and regulation.”

Overview of the Program

The State Treasurer has contracted with US Bank for a purchasing card program. The program is intended to help make state government more efficient and cost-effective by modernizing the purchasing process. The purchasing card is an alternative to invoicing by providing for direct pay. Direct pay allows more purchasing options and can significantly reduce costs associated with accounting transactions.

The program is not intended to avoid or bypass policies that are in the EnterpriseOne (E1) Manual or in place at the agencies. Rather, the purchasing card is to be used within the guidelines of existing policies. Expenditures that would not normally be incurred should not be made using a purchasing card. Continued usage of the purchasing cards within state government requires that cards not be abused.

The purchasing card may be used for payment with suppliers who accept the Visa card throughout the United States and internationally. The program can be used for in-store purchases as well as mail, telephone, Internet, and fax orders. Since the State of Nebraska is exempt from paying Nebraska sales tax, no sales tax should be charged on purchases made in Nebraska, provided a Nebraska Resale or Exempt Sale Certificate, Form 13, is on file with the vendor. This Form 13 is available at http://das.nebraska.gov/accounting/forms/Form13_completed.pdf . Therefore, **tell the vendor, before the purchase is processed, that the purchase is exempt from Nebraska sales tax.**

All cards are issued at the request of an agency in an employee's name. Under no circumstances can a card be used for personal use. Card usage will be audited and either the Department of Administrative Services or the agency may rescind the card at any time. Failure to comply with the guidelines of this program may result in severe consequences, up to and including termination of employment.

A monthly payment is processed by State Accounting to pay for every cardholder's purchasing card charges. The transactions are coded to the default line of coding specified for the cardholder on by the Agency. Cardholders will receive from US Bank a Monthly Reconciliation Statement, which will report all activity during the statement period. It is the cardholders' responsibility to match the receipt obtained, at the time of the purchase, to the Monthly Reconciliation Statement and to submit such statement and receipts to their Agency Coordinator. Cardholders must immediately notify their Agency Coordinator of any discrepancies and assist with the resolution of the discrepancy.

Program Administrator

The Program Administrator is the State Accounting Division within the Department of Administrative Services. The Program Administrator is responsible for the Purchasing Card Program administration to any agency, official, or political subdivision of the State.

Program Administrator's Responsibilities

A Program Administrator's responsibilities are to:

- Obtain transmissions of purchasing card transactions from US Bank.
- Receive monthly account statements from US Bank.
- Prepare an upload file of the transactions for electronic submission into the EnterpriseOne.
- Notify the agency coordinators when the purchasing card journal entry is available for the agencies to change the expense account codes.
- Review New Account Card Request Forms upon receipt. Check for a business unit and verify the spending limits and other relevant data.
- Obtain the signature from the State Accounting Administrator or his/her designee on all new Account Card Request Forms.
- Enter all new Account Card Request Forms through US Bank's Internet site for processing.
- Maintain file copies of each New Account Card Request Form received.
- Cancel cards immediately upon notification of employee termination.
- Serve as a primary contact for agency coordinators and a liaison between agencies and US Bank
- Develop and provide cardholder and agency coordinator training.
- Establish and maintain statewide communication. Develop and distribute program literature and materials.
- Identify and promote future program initiatives.

Agency Coordinator(s)

Agency Coordinators at each agency train cardholders, distribute cards, and obtain from the cardholders the receipts for all purchases. If authorized by the Agency Director, Agency Coordinators may have the authority to approve card requests for the Purchasing Cards within their agency.

Agency Coordinator's responsibilities

- Maintain a file copy of all New Account Card Request Forms and a log of all card numbers.
- Forward completed New Account Card Request Forms to the Plan Administrator at State Accounting, DAS for processing.
- Distribute training, Purchasing Cards and policy manuals to cardholders.
- Ensure that reconciled monthly statements, monthly transaction logs, and associated charge slips/receipts are received for each Purchasing Card.
- Notify the Plan Administrator of any card cancellations due to termination or employee transfer, or any maintenance changes, such as an address change or name change.
- Ensure that cards issued to the agency are properly utilized.
- Notify US Bank's Customer Service immediately of a lost/stolen card.

Cardholder's responsibilities

- Obtain a receipt for every purchase and attach the receipts to your monthly cardholder statement.
- Submit your monthly cardholder statement with receipts attached to your agency coordinator soon after receiving from the bank.
- Purchase the item from a contract vendor when the item is available on a statewide contract.
- Understand the agency's accounting / auditing procedures concerning the availability of funds to cover the expense.
- Purchase only the number of items, at the quantity and quality needed.
- No rebates, rewards, or promotional items shall be accepted for personal use as a result of any P-card transaction.
- Notify US Bank's Customer Service immediately of a lost/stolen card.

Accounting controls

Business Unit and Account Code

The business unit and the account code is a key piece of information that will be used as a default for the charges made on the card. The business unit is seven or eight digits. The default account code is 539500 - Purchasing Card Suspense. This object code must be attached to any business unit used as a purchasing card default. The business unit and the accounting code allow automated import into the accounting system. It is the Agency Coordinator's responsibility to ensure that the journal entry decreases the suspense account and increases the appropriate expense account.

Cardholder monthly spending limit

The cardholder's monthly spending limit is the maximum dollar amount authorized for a cardholder within a 30-day period. It is replenished automatically the day after the billing date. The general monthly spending limit is \$10,000.00 for individual cards and \$25,000.00 for the agency card.

Cardholder single-purchase limit

The single-purchase restricts the amount of any single purchase made by a cardholder. It can be comprised of a single or multiple items purchased at one time at a single supplier. The general single-purchase limit is \$2,000.00 for individual cards and \$5,000.00 for the agency card.

Merchant Category Classification (MCC) code blocking

In the Visa system, suppliers are assigned a 4-digit code according to their Merchant Category Classification (MCC). These codes are used as a reference to block certain supplier purchases.

Merchant Rebates, Rewards, or Promotional Items

No rebates, rewards, or promotional items shall be accepted by the cardholder as a result of the P-card Transaction for his/her personal use. These may only be accepted by the cardholder's department or agency for appropriate departmental/agency business use.

PROCEDURES FOR ESTABLISHING A NEW PURCHASING CARD ACCOUNT

- I. Under Type of Request Indicate “New Account”
- II. Indicate “Plastic” or “No Plastic”
 1. Plastic - a plastic card account is a 16-digit account number and expiration date printed on a plastic card and issued to an individual employee.
 2. No Plastic - a cardless account where a 16-digit account number and expiration date is issued to a cardholder who makes repetitious purchases where no plastic card is needed. Cardless accounts are limited to purchases that require only a card number such as purchases placed by mail, fax, Internet, or phone.
- III. Complete all fields in the Card Information Section
 1. Full name to be embossed on the front of the card for a plastic account.
 2. E1 Address Book number is used for cardholder identification rather than Social Security Number.
 3. The Organization Name is already printed.
 4. The address field should indicate the billing address where the cardholder’s Monthly Reconciliation Statement is to be mailed. The address can be the cardholder’s home address or work address.
 5. The Business Unit is a key piece of information that will be used as a default for the charges made on the card. The business unit is seven or eight digits. **Note:** The default object account is 539500 - Purchasing Card Suspense. This object must be attached to any Business Unit used as a purchasing card default.
 6. Monthly and single transaction credit limits will be set by default based on the type of card requested. Adjustments to those defaults would have to be requested through State Accounting.
 7. Business phone number with area code is required for reference by US Bank Customer Service. A cellular phone number can also be used.
 8. Home phone number with area code is optional.
- IV. Complete required fields in the Authorization Section
 1. Agency Name
 2. Employee must sign and date
 3. Agency Coordinator must sign and date.

Send a completed and signed form to AS State Accounting.

- Meals while traveling on State business. Meals are reimbursed through an Expense Reimbursement Document
- Any item that exceeds the established per transaction limit
- Acceptance of merchant rebate, rewards, or promotional items for personal use

Questions with Answers

How does my agency obtain a card?

Complete a purchase card application which can be obtained from AS State Accounting or found at the State Accounting website at <http://das.nebraska.gov/accounting/forms/pcard.pdf>

How many cards can my agency have?

Agencies are allowed a purchasing card for all individuals who are required to make purchases in the normal course of their job. Each agency is allowed only one card that can be used for purchasing airline tickets and this card should be issued to the Director.

How does the cost get into the accounting system?

All purchases made on your card will be charged to the agency through identifier specified on your original application using account 539500 - Purchasing Card Suspense. Once the charges post, the agency will need to adjust the prepared journal entry to charge the correct expense account.

Do I receive a document when State Accounting makes purchasing card payments?

When State Accounting pays the bank, no paper transaction will be created. An email message will be sent to the agency coordinator notifying them that a purchasing card payment has occurred. The agency will see a disbursement on their daily posting.

Will US Bank do a credit check on my personal credit before the card is issued?

No, card issuance is based on the credit of the State of Nebraska.

Will my US Bank Visa® Purchasing Card affect my personal credit rating?

The account will not be used for personal charges; therefore, US Bank does not report monthly activity to any credit bureau.

Will my purchases be audited?

YES! Each month you are required to submit receipts to your agency coordinator for approval. Also, there are random audits to verify compliance, so the agency must retain all statements and receipts.

Do I pay sales tax?

No, since purchases made with a State of Nebraska Purchasing Card are directly billed to, and paid by the state, the purchases are exempt when supported by a Form 13.

What if I need to return an item that I have purchased?

Return the item to the store or contact the supplier and arrange for the return. Be sure to obtain the credit receipt from the purchase and submit the credit receipt to your account coordinator along with your Monthly Reconciliation Statement.

How do I reconcile my Monthly Reconciliation Statement?

You will receive a Monthly Reconciliation Statement from US Bank listing all purchases by supplier and amount of the charge or the credit. Use your receipts to verify that the statement charges match your records.

What limits are placed on the card?

Standard limits include: a maximum dollar amount per transaction, a maximum monthly total, and blocked use of certain nonbusiness-related as well as travel and entertainment purchases.

Can I use the card over the telephone?

Yes, just as you might use your personal Visa Card. The supplier will ask for the card number and expiration date. Instruct the supplier to provide you with a detailed receipt showing the purchases.
