**TO:** AS-State Accounting Financial Contacts

**FROM:** Philip Olsen, Administrator  
State Accounting Division

**SUBJECT:** Fiscal Year End June 30, 2024, Closing Schedule

The following information is being provided to assist you in closing the State's accounting records in the JD Edwards (E1) enterprise system for the fiscal year.

**All prior year obligations should be identified in the system, including accounts payable, even if a program is re-appropriated.** State Accounting will prepare the manual encumbrance for payroll, including state contributions for FICA and retirement.

Most dates listed are the **final date** tasks need to be completed. Earlier completion is recommended. If there are unique circumstances, agencies should contact State Accounting as soon as possible, and we will determine the best way to coordinate completion of your year-end work.

**Monday, June 3, 2024:**

- Agencies complete review of all open manual encumbrances that were established at June 30, 2023. If you had a lapse of an encumbrance and have **not** sent the information to DAS State Budget, this needs to be completed.
- All Service Purchase Orders for which services will not be received by June 30, 2024, must be closed out or cancelled prior to June 25 at 5:00 P.M.
- Agencies complete review of Received Not Vouchered (Object Code 211700) for all funds and confirm that the balance is correct. The balance should be supported by purchase orders received but not paid.

- Agencies complete review of Open Purchase Orders to ensure the order is valid. These will be rolled over to July 1, 2024. If there is a problem, contact State Accounting by email at [as.stateaccounting@nebraska.gov](mailto:as.stateaccounting@nebraska.gov) with a subject line of PO followed by the purchase order number and agency number.
- Agencies replenish petty cash funds and vendor deposit accounts to authorized levels.
- Agencies complete review of all balance sheet accounts (100000 – 399999) to determine if correcting entries need to be made before the end of the fiscal year. **For each of these accounts that have a balance, you should be able to document exactly what that balance consists of. This review should occur throughout the year.** Please pay particular attention to Accounts Receivable and Accounts Payable balances, including due to and due from funds.
