

Administrative Services State Budget Division

NEBRASKA BUDGET REQUEST AND REPORTING SYSTEM

Login and Password Help

Beginning in August 2025, access to the Nebraska Budget Request and Reporting System (NBRRS) is managed through the Centurion Blue user authentication system. If you are a state employee, and created your account as a state employee, your username and password are the same as you use to log into your computer (NE/xxxxxx). If you signed up as a public user, you would have created your own user ID and password.

To access the Nebraska Budget Request and Reporting System:

- Log on to the NBRRS directly at <http://nbrrs.nebraska.gov> or by clicking the “System Login” link in the middle of the screen on the NBRRS portal at <http://budget.nebraska.gov/nbrrs.html>.
- If accessing from the Centurion Blue Portal: <https://cio-centurion.ne.gov/centauth/portal.xhtml>, click on “Nebraska Budget Request and Reporting System”.

If you have any questions or encounter any problems, please contact your assigned budget analyst in the State Budget Division. We also encourage you to check out the NBRRS portal at <http://budget.nebraska.gov/nbrrs.html> for information on training, step-by-step screen instructions, and more.
