Program 137 - DRY BEAN COMMISSION

PROGRAM DESCRIPTION:

Promotion is considered to be an area of emphasis to the Commission. Past surveys of Nebraska's producers and processors, as well as continual yearly public comment sessions, indicates the industry supports investment of check-off funds on promotion of dry beans on state, national and international levels. The Commission continues to participate in the U. S. Dry Bean Council (USDBC), an association of dry bean producing state agencies devoted solely to promotion and advertising. The USDBC also administers the Market Access Program (MAP) funds through which the Commission undertakes programs of international market development.

PROGRAM OBJECTIVES:

---To develop, implement and participate in programs which provide for the promotion of Nebraska-grown dry beans with the goal of increasing per capital consumption world-wide.

---To foster cooperation with and participate in organizations of dry bean producing areas.

---To identify and support research to maintain and to improve the quality of Nebraska's dry bean production and to find new food product uses for that production.

---To serve as forum for and solicit input from producers and processors of dry beans.

---To develop, implement and participate in programs which provide for the continuing education of Nebraska's dry bean growers.

PERFORMANCE MEASURES:

To develop and participate in programs of research, education, advertising, publicity, and promotion to increase total consumption of dry edible beans on a state, national and international basis.
