**Questions and Answers**

Question #	Question	Response
1.	Can you tell me why the first RFP for EDN/SC was pulled, and what the difference is between the new and old RFP.	The insurance requirements were modified and clarifications were made to the Scope of Work.
2.	Are PRTs expected to publish this information again?	The solicitation is being issued to find a qualified contractor to provide the services to specific planning regions. DHHS expects to receive proposals from interested Bidders for the planning regions identified in the RFP.

This addendum will become part of the proposal and should be acknowledged with the Request for Proposal.
