

**Cost Proposal  
RFP 116591 O3  
Child Care and Development Fund Grant Program**

Bidder Name:

The Cost Proposal contains two (2) separate sections that need to be completed and submitted. **“Part I”** is for the “Total Overall Cost” and **“Part II”** is for the Detailed Pricing.

**Important Instructions:** Bidders are to complete all fields highlighted in yellow. Do not alter existing format or content within **Part I** of the Cost Proposal.

Please indicate your Total Overall Cost for **Part I** both here: \$ , and in the table below. The “Total Overall Cost” shall reflect all costs associated with performing the services as outlined in the RFP and any subsequent Addendums.

**Part I – Total Overall Cost**

Bidders are to complete this section by providing a price by category for the requirements as outlined in Section V. of the Request for Proposal (RFP) document. The total of all categories shall constitute the “Total Overall Cost”.

**Part II - Detailed Pricing Instructions**

Review the Project Requirements listed under Section V. of the RFP to provide a detailed list that is all encompassing to meet all requirements. If Bidder identifies there are additional sub-category lines to be added to ensure completion of all services, add additional lines and/or pages accordingly within **Part II** only.

Bidders shall prepare and attach a separate document that contains a detailed breakdown for each of the items listed within **Part I** of the Cost Proposal. This breakdown will be used when submitting invoices. The "Lump Sum by Category" pricing for each given category of **Part II** shall account for all charges associated with performing the services and shall match the corresponding price for the same category listed in **Part I**.

Any inclusion of additional sub-category lines must be billable in the invoice, must be presented in a format that is free of irregularities, and must be easily interpreted in a manner consistent with industry standard pricing.

Additional lines may not be added to expand the scope of work and requirements.

The example **Part II** below is for SAMPLE purposes only. **Part II** pricing to be created by the Bidder to provide a detailed breakdown for each of the categories listed in **Part I**. Please separate by program. Use the appropriate UOM that will demonstrate how the pricing is structured within each given category. Bidders are to attach **Part II** within the Cost Proposal.
