

Attachment B - Page 1

Nebraska Game and Parks Commission Boat Decal Design & Color Sequence

Trim size must be 3 inches by 6 inches (3"x3" each final decal) for the diamond, circle, horizontal and vertical design sets and 3 inches by 6.25 inches for the diagonal design set. This adds a quarter of an inch in the center of the sets for the bleed on two of the five designs.

Actual year to design/produce the decal	This is the year to be printed on the decal and the expiration year for the boater	The year boaters renew their license	COLOR	DESIGN	DECALS COMPLETE
