Comments				<p>*In addition to best and final pricing which was lowered, we have also included a 18 month extended total warranty. This is reflected in the monthly price for both the unit and extended monthly lease options. *please note that items 25, 26, 27 were added to the items purchased as line items 1-24 didn't allow for a breakdown of these costs as required. 24/7 maintenance is also included to these line items as well as the controlled substance manager sheet. If the State of Nebraska is interested in providing a State hosted operating list, ARxIUM can work within this type of arrangement provided that the following below capital terms of the contract are met once fulfilled.</p>		<p>*Professional services fee of \$16,000</p>			

Prices are per month.
