<u>Question Number</u>	<u>RFP Section Reference</u>	<u>RFP Page Number</u>	<u>Question</u>	<u>State Response</u>
1.			On table 3 would like to see if Monday/Thursday pickup & delivery would be considered? We feel this would help inventory levels going from a 5 day 2 day schedule to a 4day-3day. We can do Mon/Wed think Mon/Thu is a good option.	A Monday/Thursday pickup and delivery would be considered as long as the frequency per week does not change.
2.			Per the Schedule of Events line 13 is Contract Award and line 14 is Contract start date. The time frame is only 1 day. My question is: Can there be adequate time allotted for purchase and acquisition of new linens, rugs, and logo rugs to fulfill the laundry service contract? I am currently waiting on lead times from [REDACTED], my supplier for the logo and standard rugs, and at the present have not heard back from them. I would assume that 4 weeks would be acceptable for the company	Please see Addendum Three, Revised Schedule of Events.

			to manufacture and ship quantity of rugs that is required by the contract. Linen supplier will be able to react to purchase order in that amount of time also. That should give me enough time to wash, dry, and properly package product also.	
3.	Section VII subsection A		Is there a cost sheet included in RFP or do I just need to produce one? Am I supposed to list all costs involved in washing, , drying, delivering, purchasing linens and rugs or list the cost to Ponca State Park for Commercial Laundry Services of Norfolk to deliver and maintain said product?	Yes, a cost sheet is included. Please do not produce your own.  Please see Attachment 1 on the RFP webpage. The costs provided in Attachment 1 must be inclusive of all costs.
4.	Section VII subsection		Are prices supposed to be listed on Attachment 1 Cost Sheet?	See the response to Question #4.
5.			Can we get a pdf for the logo rugs to send to [REDACTED]?	Please see the logo following this table.

This addendum will become part of the proposal and should be acknowledged with the Request for Proposal.
