	Comments			Notes: 1) Sprint, Refractions, Shift, Ace Bryant Park, Pivot, Highlight, Blip, Inside Track, (All on Color Story Card) 2) Tussah and Spree are on the E3 series card  *Manufacturers Vertical Surface and Manufacturers Vinyl + Non PVC Price Lists included in bid reflect Discounted Pricing. *Min order for card of this type is 750 cards.			*** It is really not feasible to do only 100 Custom Cards because it is so Expensive. Not saying that we can't do it. It is just much more affordable to do 1000 or 1500 cards.***  ***It is also not a good idea to put Multiple Vendors on the same card, because if one vendor discontinues one item, then the Card is no longer good. Not saying that we can't do it, but I would advise against it.***  ***Please let me know if you have any further questions.***			VI. INVITATION TO BID - TECHNICAL SPECIFICATIONS E.
