Boater Reg Decals 2017.indd 1

PMS #2935 Blue

3/31/2014 12:32:29 PM

One design has a 1/4" gutter for bleed. 3"X6.25"

PMS #199 Red

Back for decals measuring 3 x 6"

Application Instructions

1. Thoroughly clean area on your boat where the emblem is to be applied. Be sure to allow enough time for the area to dry before placing the emblem on the boat.
2. Carefully remove decal from the liner.
3. Apply face up to dry surface.
4. Smooth out any air bubbles.

This identification symbol must be affixed to the left of the letters "NB" without a spacer and in the same horizontal plane as the first letter.
