Comments				<p>***It is really not Feasible to do only 100 Custom Cards because it is so expensive. Not saying that we can't do it. It is just more affordable a minimum of 1000 or 1500 Custom Cards.***</p> <p>***It is also not a good idea to put Multiple Vendors on the same card because if on vendor discontinues one item, then the card is no longer good. Not saying that we can't do it, but I would advise against it.***</p> <p>***Please let me know if you any further questions.***</p> <p>See bid for exceptions.</p>	<p>24. ON PHASE OUT WILL BE Discounted on 1/1/20 Origin is a good alternate. See above.</p> <p>29. Coated Fabrics</p> <p>30. Excluding Silica family.</p> <p>31/32. Note: Minimum order for customer cards is 1,500 Sample maker is an outside vendor. Lines 31,32,& 33</p> <p>Note: should CSI choose to make its own sample cards, Momentum Textiles, LLC can provide the sample yardage to make 100 cards at no charge. See bid for exceptions.</p>
