TEHCNICAL SPECIFICATIONS**

II. Bidder Instructions

Bidder must respond to each of the following statements. Specifications listed are minimum conditions that must be met in order for a bidder to qualify for the award. A "YES" response means the bidder guarantees they can meet this condition. A "NO" response means the bidder cannot meet this condition and will not be considered. "NO & PROVIDE ALTERNATIVE" responses should be used only with a narrative response in the NOTES/COMMENTS section explaining in detail any deviation from the bidder's ability to meet the condition, and an explanation of how this would be determined to be an acceptable alternative to meeting the condition. Alternatives must be detailed in such a way that allows such deviations to be fully evaluated. **The State of Nebraska shall determine at its sole discretion whether the vendor's alternative is an acceptable alternative.**

All items listed below are required. If there is a No, a detailed alternative explanation must be provided
