<u>Question Number</u>	<u>ITB Page Number</u>	<u>Question</u>	<u>State Response</u>
1.	37	Does the quote need to come from the dealer? Or can it come from the manufacturer?	Provided that the terms and conditions, and specifications in the Invitation to Bid (ITB) are met, the State of Nebraska has no preference for the awarded bidder. The contract resulting from this ITB will be awarded to the lowest responsible bidder. The awarded supplier will be fulfilling the contract.
2.	19	The term is listed, but what is the hour range per year of the units? Is there an average hours/per year, or is it different for each unit?	The State of Nebraska is not asking for an hour range on the mowers a bidder may propose in response to the Invitation to Bid. The State of Nebraska does not have an average number of hours per year information to provide.
3.		Why is the state bidding these mowers when their already on a state contract. Contract #13727 OC	The State of Nebraska reserves the right to contract for the same or similar goods from other sources now and in the future. See Invitation to Bid, Number 6033-OF paragraph one.

This addendum will become part of the ITB and should be acknowledged with the Invitation to Bid response.
