

ADDENDUM TWO QUESTIONS and ANSWERS

Date: May 21, 2019

To: All Bidders

From: Annette Walton/Julie Schiltz/Buffy Meyer, Buyers
AS Materiel State Purchasing Bureau

RE: Addendum for Request for Proposal Number 6084 Z1 to be opened June 14, 2019 at 2:00 P.M. Central Time

Questions and Answers

Following are the questions submitted and answers provided for the above mentioned Request for Proposal. The questions and answers are to be considered as part of the Request for Proposal. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

<u>Question Number</u>	<u>RFP Section Reference</u>	<u>RFP Page Number</u>	<u>Question</u>	<u>State Response</u>
1.	VI Proposal Instructions	Page 35	In what way does DHHS expect the respondent's "Proposed Development Approach" to differ from the required "Business Requirement Matrix" and "Draft Project Work Plan"?	The Proposed Development Approach should outline the bidder's methods to complete the entire project. The bidder should answer each question in detail on Attachment B in the boxes indicated for responses. The Draft Project work plan should be in a narrative format that includes the respondent's proposed processes and methodologies for providing all components of the Scope of Work.
2.	V.D.3.c and d Local Offices	30	How many local staff across the state will be considered stakeholders for this project and across how many local offices?	Approximately 20-25 stakeholders across 7 local offices.
3.	V.E.1.b. Task 2: Business Process Mapping	30	Does the State have an expectation as to how many stakeholders will participate in Phase I of the project? Please list them, if possible.	Approximately 50-75 stakeholders would participate in Phase I of the project.

4.	V.E.1.b. Task 2: Business Process Mapping	31	Task 2: Business Process Mapping includes activities i. - xii. Please confirm that, in addition to these activities, the requirements in Attachment B are intended to be performed as part of Task 2.	The bidder should respond to questions in Attachment B and submit with the proposal. The responses provided on Attachment B will be used to evaluate the proposals. The Business Process Map is the deliverable the Contractor will submit as Task 2.
5.	V.E.1.b. Task 2: Business Process Mapping and Attachment B: Business Requirements Matrix	31	Please confirm if the requirements in Attachment B all require business process mapping to be performed. Some of the topics appear to require other types of analysis (e.g., best practices research, policy review, stakeholder fact-finding sessions and interviews, etc.)	Please see answer to question #4.
6.	V.E.1.a-c.	31	The RFP indicates that Detailed Project Plan, Business Process Mapping, and Recommendations are required tasks for this scope of work. Are these also considered the specific deliverables that the State is seeking, and/or may vendors propose additional deliverables they believe will best fulfill the State's requirements, as described in the RFP and Attachment B?	Yes. Yes. V.E.1.a-c states "Business Process Map to include but not limited to a narrative explanation and evaluation of CFS actual processes."
7.	V.E.1.c.		Can the State please provide an organizational chart that shows all units at central, regional, and local offices, noting all positions, FTEs, and vacancies?	Yes. Please see Attachment C – CFS Positions Vacancies.

8.	V.E.3. Project Schedule	32	<p>Table 1. Tentative Project Schedule indicates that Phase 1: Task 2: Business Process Mapping is due within 45-60 days of completion of Phase 1: Task 1.</p> <p>Please confirm if the deliverables resulting from Phase 1: Task 2 Business Process Mapping are due 45-60 days after completion of the Phase 1: Task 1. (Should this say it is due within 45-60 days of completion of Phase 1: <u>Task 2</u> instead?); also,</p> <p>please confirm if the deliverables resulting from Phase I: Task 3 Recommendations are due 45-60 days of completion of Phase 1: Task 2. (Should this say it is due within 45-60 days of completion of Phase 1: <u>Task 3</u> instead?)</p> <p>If the language in Table 1 is correct, is the State open to vendors proposing an alternative timeline? Based on our preliminary understanding of the scope of work, the timeline in Table 1 appears extremely aggressive.</p>	<p>The deliverables from Phase 1; Task 2 are due within 45-60 days of completion of Phase 1: Task 1. The start time of completion for deliverables for Phase 1: Task 2 is at the point when Phase 1: Task 1 is completed.</p> <p>This is a tentative timeline but DHHS is willing to consider alternate timelines.</p> <p>The deliverables from Phase 1: Task 3 are due within 30-45 days of completion of Phase 1: Task 2. The start time of completion for deliverables for Phase 1: Task 3 is at the point when Phase 1: Task 2 is complete.</p> <p>Yes.</p>
9.	V.E.3. Project Schedule	32	Does the State have an expected timeline for completion of each of the three Phase 1 tasks?	The tentative timeline for completion of each of the tasks is outlined in Table 1. Tentative Project Schedule.

				This is a tentative timeline but DHHS is willing to consider alternate timelines.
10.	VI.A.1	33	Should we return Section V since it does not seem to require a response?	Sections II through IV must be initialed and returned with the response. Sections V and VI must be addressed in the appropriate section.
11.	VI.A.2.d	34	Does the State have specific expectations for the amount of time the vendor's project team will be on-site, or may the vendor propose on-site time based on project activities and needs?	The vendor may propose on-site time based on project activities and needs within the proposal.
12.	VI.A.2.d	34	Will the State provide a physical space for the vendor team to work in (e.g., cubicles or a conference room) when the team is on-site to perform project activities?	Yes. The State can provide onsite physical workspace for up to 5 people
13.	Attachment B: Business Requirements Matrix	5	(PS-23) What is the extent of technology solutions (for example, how many systems are there? how old are they? what functions do they perform?) that will be reviewed in this effort?	There is one system, NFOCUS, which CFS uses as its Child Welfare Information System. NFOCUS was implemented in 1998. NFOCUS is used as the main child welfare system data base.
14.	Attachment B: Business Requirements Matrix	5	(PS-23) According to the Children's Bureau website, as of August 1, 2018, Nebraska declared as a non-CCWIS State. Is the State considering developing a CCWIS-compliant system?	Yes.
15.	Attachment B: Business	8	(PS-40) Can the State please elaborate on the	In order to help retention in the child welfare workforce,

	Requirements Matrix		<p>intent behind development of a career ladder and advancement for service providers and case managers in the child welfare system?</p> <p>Can the State please clarify if service providers and case managers are contracted service providers?</p>	<p>DHHS would like proposals that that make recommendations to enhance the opportunities for persons working in the child welfare field in Nebraska to advance their careers while maintaining a viable workforce.</p> <p>Service providers for the State are contracted. Case managers are employees of the State with the exception of Douglas and Sarpy Counties where case management is contracted.</p>
16.	Attachment B: Business Requirements Matrix	Multiple	<p>Several of the requirements in Attachment B indicate that a “comprehensive review” is required. Can the State please provide additional details regarding its definition of “comprehensive review”? In our experience, reviews of the topics enumerated by the State in Attachment B can range in depth, complexity, and level of effort depending on factors such as the goal of the review and length of time available to complete it in.</p>	<p>Comprehensive review means a total and complete assessment of Nebraska’s child welfare system and provider recommendation to include, but not limited to: building an effective case management force, improving workforce recruitment and retention, service provision that assists DHHS meet the requirements of FFPSA, improvements in service quality, data/information system improvement, Continuous Quality Improvement systems improvement, better use of public assistance for families in need, connecting families to community resources, etc.</p>
17.	N/A	N/A	<p>How many vacant positions, and in which divisions of the organization, exist across the child welfare system as of May 1, 2019?</p>	<p>There are approximately 50 vacancies in the Protection and Safety domain.</p>
18.	N/A	N/A	<p>Has any planning or other work related to this project been completed already?</p>	<p>No.</p>

			<p>If so, has the State engaged outside vendor assistance to perform the work, and is the vendor eligible to propose on this scope of work?</p> <p>Who is the outside vendor?</p>	
19.	N/A	N/A	<p>As this project will likely include recommendations regarding the Department's technology systems, will the selected vendor be precluded from bidding on any future work related to implementing changes to existing IT systems or creating and implementing the new IT systems?</p>	<p>DHHS is seeking an analysis of and recommendations for the impacts technology has on the Child Welfare system. This RFP is not intended to identify specific technology solutions. The selected vendor will not be precluded from any future bids with the State of Nebraska.</p>
20.	N/A	N/A	<p>So that bidders can be sure that they are providing, at minimum, a responsive and compliant proposal, could the DAS make consistent and align the following sections:</p> <ul style="list-style-type: none"> • Request for Proposal/Proposal Requirements: Page 5, Q 1-6 • Evaluation of Proposals: Page 5, S 1 – 3 <p>Proposal Instructions: Page 33 – 36</p>	<p>Items that should be submitted :</p> <ol style="list-style-type: none"> 1. Sections II through IV; 2. Original Request for Proposal for Contractual Services form signed using an indelible method; 3. Corporate Overview; 4. Attachment B, Business Requirements; 5. State Cost Proposal; and 6. Draft Project Work Plan <p>Items that will be evaluated:</p> <ol style="list-style-type: none"> 1. Corporate Overview; 2. Attachment B, Business Requirements; 3. State Cost Proposal; and 4. Draft Project Work Plan
21.	Cost Proposal	1	<p>Is the State's intention to only allow the vendor to invoice for services at the completion of each of the three main tasks?</p>	<p>Yes.</p>

			If so, is the State amenable to other payment approaches (e.g., payment for interim deliverables) since—depending on the timeline for completion of a task (such as Task 2: Business Process Map)—the vendor may not receive payment for services for several months?	If the awarded bidder identifies clear milestones within a particular Task, DHHS may consider adjusting the payment structure for said Task. Any proposed revisions to the payment structure will be negotiated during the contract finalization period.
22.	Cost Proposal	1	Does the State have an expected budget for completion of each of the three Phase 1 tasks? If so, can you provide us with the maximum budget for the tasks?	Bidders should provide a response that best meets the requirements of this RFP.
23.	n/a	n/a	Is there a maximum budget for this project?	Please see answer to question 22.
24.	n/a/	n/a	Are there page limits for the technical proposal or cost proposal?	No.
25.	T	6	Can the oral presentations be conducted online via a video call?	Oral Presentations are yet to be determined.
26.	General		Does the BPR assessment include privatized offices and if so how many?	The question is unclear and the State is unable to provide a response.
27.	General		Would the awarded contractor be precluded from any follow-on work resulting from this procurement?	See answer to question #19.
28.	General		We are assuming an Executive Sponsor will be representing the State and helping to drive the success of this project. Can you please tell us if this is true and the name of the Sponsor?	The State will identify an executive sponsor that will support the project internally and externally, through to completion. That executive has not yet been identified.

			What will be their role?	
29.	General		We realize there are always competing priorities for field staff. What preparations, if any, has the Department made with field staff for time commitment needed to provide input to the analysis of their work activities?	Once the contract is awarded, CFS will assign and make field staff available for the analysis.
30.	General		Have other vendors or universities assisted the Department in this effort prior to the release of this RFP? If so, which vendors? Are they prohibited from bidding on this RFP?	No.
31.	I.B.	1	The address on the cover page and the address here are slightly different. Specifically, the street name and zip code. Please confirm the correct delivery address.	The correct address is: State Purchasing Bureau 1526 K Street, Suite 130 Lincoln, NE 68508.
32.	I.K.	4	"The Technical and Cost Proposal Template should be presented in separate sections (loose-leaf binder is preferred) on standard 8 ½ x 11 paper." Are the Technical and Cost Proposals to be submitted in separate binders?	No. The State requests they be submitted in separate sections.
33.	V.E.2	31	Phase 2 – Implementation – Are bidders to provide a generic approach to Phase 2 given that we do not know what recommendations will be implemented at this time?	The bidder should provide a generic approach for Phase 2 based on the recommendations the bidder provided for Task 3.
34.	V.E.3	32	Given the scope of the RFP and the critical importance of this program	The applicants are encouraged to offer a proposal consistent with the requested timeframes.

			to the children and families of NE, our experience indicates that this is a 12-18 month project and cannot be completed in the time allotted in the RFP. Will the State allow for a 12-18 month timeframe?	However, if the applicant has concerns with the timeframes it should be noted in the bidder's response and could be considered during the negotiation process.
35.	VI.A.1	33	"Further Sections II through VI must be completed and returned with the proposal response." We understand that RFP Section II through IV require initials and responses within the document. However, RFP Sections V and VI responses are addressed in other required sections of the proposal. Are bidders simply to return a printed copy of those RFP Sections V and VI with our proposals?	See response to question 10.
36.	VI.A.2.h	34	If bidders choose to provide more than three narrative project descriptions in order to demonstrate the depth of our experience, how will the State choose which three to use for evaluation purposes? The first three discussed?	Please submit up to three narratives that best demonstrate experience and skills required for this project.
37.	VI.A.2.h	34	How will subcontractor experience be evaluated? Will subcontractor project descriptions be counted toward the three project descriptions evaluated or in addition to?	A subcontractor's experience will be evaluated within the same criteria as the bidder. Yes.
38.	VI.A.2.i	35	With regard to resumes, the State is requesting the individual's "understanding	The State will determine through the resumes of personnel that the bidder understands the

			of the process.” Please clarify what this means.	requirements of the project, i.e. the personnel with the correct skills and abilities are assigned to this project.
39.	Attachment A. Business Associate Agreement	N/A	<p>The RFP includes Attachment A: Business Associate Agreement; however, the RFP is for operational review of Child Welfare services within DHHS Children and Family Services (CFS) Division. It is unclear how CFS is operating as a Covered Entity under HIPAA.</p> <ul style="list-style-type: none"> • Please clarify if CFS is acting as a Covered Entity / Hybrid Covered Entity under HIPAA. • Please confirm if the Contractor will have access to protected health information (PHI). 	<p>Yes, CFS is a covered entity under HIPAA.</p> <p>Yes, it is possible that the Contractor will have access to protected health information.</p>

This addendum will become part of the proposal and should be acknowledged with the Request for Proposal response.
