RE: Request for Proposal
6084 Z1

The State of Nebraska is rejecting all proposals received on the above referenced Request for Proposal for Child Welfare Reform Analysis due to implementation of the Family First Prevention Services Act (FFPSA). Nebraska is one of thirteen states who are targeted to roll out FFPSA implementation on October 1st, 2019. DHHS will need time to assess and evaluate the impact of these changes to determine what areas of focus need further reform and whether to release a revised RFP.

All firms will be given the opportunity to participate if new Proposals are solicited.

Thank you for your interest in doing business with the State of Nebraska.
