1.			Our Plan's attorney has reviewed the NDA (Att C) that is included in the 6102 Z1 RFP, and we are requesting that the State consider the attached redlined changes to the Attachment C to change the indemnification requirement from one party to both parties. If acceptable, we will provide Segal with a signed agreement so that we can obtain the data files for the RFP	The State will not be amending Attachment C.

This addendum will become part of the proposal and should be acknowledged with the Request for Proposal response.
