Re: *ITB 6131 OF, 2020 or Current Production Year Sedans
Protest of Award*

Dear Mr. Mills:

We are in receipt of your letter dated September 10, 2019, regarding your protest of the Intent to Award posted September 9, 2019, in connection with the above-captioned Invitation to Bid (ITB). After careful review and consideration we find as follows:

Regarding paragraph 1 of the letter, the State accepts the request to correct your error as described. It is Baxter CDJR's statement that the final unit price was mistakenly written in the wrong place on the attachment form. We have modified the Bid Tabulation for attachment B accordingly and it is now posted to the website. As we are simply adjusting the bid tabulation there is no need to withdraw the Intent to Award.

We have noted your comments regarding the form and instructions and appreciate your feedback. We will take those into consideration on future solicitations and forms.

It appears the contract was awarded appropriate and in accordance with state law, thus the contract award will stand and the protest submitted by Baxter CHJR is hereby denied.

We thank you for your interest in doing business with the State of Nebraska and welcome you to contact us at any time.

Sincerely,

Doug Carlson, Deputy Director, Materiel Administrator
Department of Administrative Services
