STATE OF NEBRASKA PURCHASING BUREAU
2020 OR CURRENT PRODUCTION YEAR FOR HALF TON CARRYALL SUV 4 WHEEL DRIVE 8
PASSENGER FFV E85
SCHEDULE OF EVENTS

THE MASTER AGREEMENT TERMS AND CONDITIONS APPLY TO THIS INVITATION TO BID

I. SCHEDULE OF EVENTS

A. The State expects to adhere to the tentative procurement schedule shown below; however, dates are approximate and subject to change.

ACTIVITY		DATE/TIME
1	Release Invitation to Bid	August 16, 2019
2	Last Day to Submit Written Questions	August 23, 2019
3	State Responds to Written Questions Through an Addendum to be posted to the internet at: http://das.nebraska.gov/materiel/purchase_bureau/vendor/vehicle-itb.html	August 30, 2019
4	Bid Opening Location: Nebraska State Purchasing Bureau 1526 K Street, Suite 130 Lincoln, NE 68508	September 6, 2019 2:00 P.M. Central Time

B. WRITTEN QUESTIONS AND ANSWERS

Questions regarding the meaning or interpretation of any ITB provision must be submitted in writing to SPB and clearly marked "ITB Number **6132 OF; 2020 or Current Production Year for HALF TON CARRYALL SUV 4 WHEEL DRIVE 8 PASSENGER FFV E85** Questions". The POC is not obligated to respond to questions that are received late per the Schedule of Events.

Bidders should present, as questions, any assumptions upon which the Bidder's bid is or might be developed. Bids will be evaluated without consideration of any known or unknown assumptions of a Bidder. The contract will not incorporate any known or unknown assumptions of a Bidder.

It is preferred that questions be sent via e-mail to as.materiel purchasing@nebraska.gov, but may be delivered by hand or by U.S. Mail. It is recommended that Bidders submit questions using the following format.

ITB Section Reference	ITB Page Number	Question

Written answers will be provided through an addendum to be posted on the internet at http://das.nebraska.gov/materiel/purchase_bureau/vendor/vehicle-itb.html shown in the Schedule of Events.

TECHNICAL SPECIFICATIONS

II. BIDDER INSTRUCTIONS

Bidder must respond to each of the following statements. Specifications listed are minimum conditions that must be met in order for a bidder to qualify for the award.

A "YES" response means the bidder guarantees they can meet this condition.

A "NO" response means the bidder cannot meet this condition and will not be considered.

"NO & PROVIDE ALTERNATIVE" responses should be used only with a narrative response in the NOTES/COMMENTS section explaining in detail any deviation from the bidder's ability to meet the condition, and an explanation of how this would be determined to be an acceptable alternative to meeting the condition. Alternatives must be detailed in such a way that allows such deviations to be fully evaluated. The State of Nebraska will determine at its sole discretion whether or not the vendor's alternative is an acceptable alternative.

*****ALL SPECIFICATIONS LISTED BELOW ARE REQUIREMENTS*****

A. BODY

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Color: Body color and interior trim will be selected from manufacturer's standard colors. (Note: attached color charts will be considered manufacturer colors with no extra charge unless specified in color chart in the options).
			2. Glass: Approved tinted safety glass in all doors, windows, and windshields. Glass free of optical deviation and visibility distortions. Sunscreen glass.
			3. Insulation: Standard production heat and sound insulation to be provided.
			4. Full-length headliner to be furnished.
			5. Seats:
			a. 40-20-40 or 60-40 style seat in front. All seats to be of spring foam padding, cloth covered construction, and of the heaviest duty available. The nylon cloth will either be treated or of such composition as to eliminate static electricity.
			b. Center Seats: Center seat to be 1/3-2/3 split of fold down type.
			c. Third Row Rear Seat: Rear seat will be fold flat type and/or be removable. Must be able to seat a minimum of eight (8) passengers.
			6. Arm Rests: Both left and right-hand sides of each front seat. Door armrest and a Center console armrest will be acceptable if factory installed.
			7. Sun Visors: Dual, padded.
			8. Mirrors: Interior rear vision adjustable, day and night tab (selector type, non-glare). Dual power outside rear vision mirrors mounted on left and right sides of vehicle.
			9. Power Outlet.

C. SUSPENSION AND RUNNING GEAR

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Wheelbase: Minimum Wheelbase of 130".
			2. Power Steering.
			3. Steering Wheel/Column: Manufacturer's tilt steering wheel.
			4. Wheels: Five (5) 17-inch size unless equipped with wheels that are not designed for hubcaps or wheel covers.
			a. Factory standard hubcaps or wheel covers are acceptable.
			b. Aftermarket hubcaps or wheel covers not acceptable.
			5. Tires:
			a. Five (5) 17-inch size tubeless all terrain radial tires to be furnished with each vehicle that will perform adequately at a top speed of 105 mph.
			b. Tires to be manufactured by a major manufacturer, carry the same manufacturer's name and factory installed.
			c. Tires should have a 50,000-mile tire rating.
			d. The spare rim and tire to be mounted inside the vehicle in the regular factory installed position.
			e. The spare rim can be steel.
			f. Temporary "mini" or "compact" spare will not be acceptable.
			6. Brakes: Four (4) wheel disc brakes and Anti-Lock braking system only that is designed so radio transmissions do not interfere with performance of braking system.
NOTES/COMMENTS:			

D. ELECTRICAL SYSTEM

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Ignition system: 12-volt, solid state designed to provide maximum radio shielding to prevent interference with reception of two-way mobile radio installed in the vehicle, also shielding to prevent interference from two-way mobile radio to the vehicle's electronic system.
			2. The wiring harness to be high-tension resistor wiring, high-heat resistance, and silicone, high dielectric strength insulation that will operate continuously at a temperature of 450 degrees Fahrenheit.
			3. Battery: 12 volt, heavy duty, manufacturer's maximum cold cranking power battery.

ATTACHMENT "B"
STATE OF NEBRASKA PURCHASING BUREAU
2020 OR CURRENT PRODUCTION YEAR FOR HALF TON CARRYALL SUV 4 WHEEL DRIVE 8
TECHNICAL SPECIFICATIONS

			a. A terminal post connected to the positive battery cable and capable of carrying 45 amperes in the engine compartment.
			b. This terminal to be in a location easily accessible from the topside of the engine compartment and near the battery. If this is not available, the positive cable may be of the type that attaches to battery posts by means of a bolt or nut.
			c. Battery cable spring-loaded or drive-on devices are not acceptable. State CCA: ***State Cold Cranking Amps (CCA): _____
			4. Alternator:
			a. Minimum 130 amperes.
			b. Minimum capacity SAE output curb idle speed not less than 45 amperes.
			c. Radio noise suppression devices where applicable.
			d. Alternator is of the type that parts and repairs are available at authorized dealers of the make of vehicle furnished. ***Specify Amperage: _____
NOTES/COMMENTS:			

E. RADIO FREQUENCY SHIELDING *CAUTION*****

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. The chassis and/or installed components and equipment are to be compatible with use of Nebraska Department of Transportation (NDOT) mobile and/or two-way communication devices.
			2. Main communication radio operates in low band range of 47 MHz to 48 MHz, but all frequencies apply including low band, high band, UHF and VHF.
			3. The chassis and/or installed components and equipment are manufactured to meet all current SAE and/or ISO Standards applicable and/or relevant to Electromagnetic Compatibility.
			4. NDOT will conduct testing of radio/two-way when installed in chassis.
			5. NDOT will notify vendor if normal operational parameters are not met due to degradation of signals caused by electromagnetic emissions from chassis or installed components and equipment.
			6. Vendor is required to work with NDOT personnel to reduce interference level to a point acceptable to NDOT normal radio operating parameters.
			7. Vendor will have 30 days to resolve radio frequency interference (RFI) issue.
			8. Vendor and/or manufacturer will be responsible for any and all cost to replace and/or modify any parts found to cause radio frequency interference.

ATTACHMENT "B"
STATE OF NEBRASKA PURCHASING BUREAU
2020 OR CURRENT PRODUCTION YEAR FOR HALF TON CARRYALL SUV 4 WHEEL DRIVE 8
TECHNICAL SPECIFICATIONS

			9. If NDOT and vendor cannot resolve the source of the radio frequency interference the unit will be sent to an independent accredited lab for testing to ensure SAE and/or ISO Standards compliance.
			10. Testing done will meet SAE and/or ISO Standards which were current at date of bid. Should the chassis and/or installed components and equipment fail testing at the accredited lab, the vendor is responsible for all cost incurred for testing.
			11. If after testing by NDOT and/or an accredited lab, and the vendor is unable or unwilling to incur the cost to correct the radio frequency issue to the satisfaction of NDOT, ALL ORDERS AND CORRESPONDING CONTRACT WILL BE CANCELLED.
NOTES/COMMENTS:			

F. MISCELLANEOUS

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. All SUVs protected to -34 degrees below zero Fahrenheit by permanent type ethylene glycol base antifreeze of the brand normally furnished by the manufacturer.
			2. The radiator is to be tagged or marked to indicate the type, brand and degree of protection.
			3. The thermostat is to be installed for permanent-type antifreeze and have equipped a coolant recovery system.
			4. Each unit to be delivered to the purchaser with all wheels balanced and the front end aligned.
			5. Manufacturer's standard complement of tools, bumper jack, wheel wrench, and jack handle to be provided, together with facilities for storage.
			6. All equipment, such as floor mats and two (2) keys, will be with the vehicle upon delivery.
			7. Purchase orders issued from the resulting contract(s) may specify prospective delivery dates due to agency operational needs and budget; upon acceptance of purchase order Contractor agrees to abide by any such prospective delivery date.
			8. Non-Contract Items are items not listed on the contract, but the ordering agency may need them for their business needs, to complete the purchase of the vehicle. The ordering agency will request the Non-contract item(s) in written form. Attach all pricing documentation to the purchase order and add a line titled "Non-Contract Item".
			9. Contractor can provide a link to price list for Non-Contract Items or catalog pricing for MSRP with corresponding discount from MSRP.

G. SUSTAINABILITY

YES	NO	NO & PROVIDE ALTERNATIVE	
			<p>1. If any part or component of the vehicle bid contains recycled or bio-based material(s), please list and provide detailed information on the environmental attributes below.</p> <p>Please provide detailed information on the environmental attributes.</p> <p>_____</p> <p>_____</p>
NOTES/COMMENTS:			

H. DELIVERY

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. All vehicles delivered are to be FOB destination in Lincoln, Nebraska and in accordance with the Delivery Schedule shown on the purchase order.
			2. Vehicles are to be road ready, fully equipped, serviced, and washed with the equivalent of a ¼ tank of gasoline.
			3. Vehicles showing lack of proper dealer pre-delivery service to be subject to rejection until the vehicle is properly serviced.
			4. Factory pre-delivery service is not acceptable.
			5. Dealer nameplates, decals, etc., not to be affixed.
			6. A signed copy of the completed manufacturer's "New Vehicle Preparation-Inspection and Road Test" form must accompany each vehicle at time of delivery.
			7. After the SUV has been fully serviced, the dealer may deliver it by rail freight, truck transport or by driving to the destination.
			8. Delivery hours are between 9:00 AM and 3:00 PM daily, except Saturday, Sunday, and holidays. All deliveries must be scheduled with the Agency Representative.
			9. The following items will accompany each vehicle when delivered: <ul style="list-style-type: none"> a. The original manufacturer's statement of origin; b. A service authorization card; and, a properly executed service and warranty policy.
			10. The Vendor is to completely check each vehicle to ensure conformance with the manufacturer's specifications and the State of Nebraska requirements as stated herein.
			<p>11. Odometer mileage:</p> <p>Within a 200-mile radius of Lincoln (less than 200 miles on odometer) Outside the 200-mile radius of Lincoln (less than 450 miles on odometer)</p> <p>Vehicles will not be accepted if all paper work is not with the vehicle at time of delivery. Dealer will retain ownership of the vehicles until the purchaser has signed all required paper work.</p>

TECHNICAL SPECIFICATIONS

			12. Invoices are to describe the vehicle, including vehicle identification number (VIN), key number and State of Nebraska purchase order number.
			13. Contract supplier or suppliers may honor pricing and extend the contract to political subdivisions, cities and counties. Political subdivisions, cities, and counties must meet terms and conditions of the contract.
			14. Motor vehicles that have been wrecked or sustained more than minor nicks and scratches will not be accepted. The vendor should not attempt to deliver a unit until minor nicks and scratches have been repaired. Failure to comply with the above may result in the dealer not being allowed to bid on future motor vehicles contracts.
			15. Vendor to provide order number to the purchaser within 5 (five) business days after Purchase Order has been received. Vendor to email, fax, or mail this information to each buyer.
NOTES/COMMENTS:			

I. WARRANTY

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. The manufacturer's standard warranty applies to each vehicle:
			a. A minimum warranty of 3 years, 36,000 miles or the manufacturer's standard warranty, whichever is greater.
			b. A minimum of 5 years, 100,000 miles rust warranty.
			c. ***Indicate standard manufacturer's warranties: _____
			d. Mechanical or body repair under manufacturer's warranty, prior to use of the vehicle by the State, is the responsibility of the selling dealer, including the transportation thereof.
			e. Warranty to be effective from date of issuance of first assignment and the mileage warranty will begin from the mileage on the odometer on the date of assignment.
			f. The selling dealer will provide warranty activation cards or delayed warranty forms with manufacturer mailing information in order to properly activate said warranty.

J. SERVICE

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. Prior to the awarding of, or entering into any agreement or contract, whether verbal or in writing, it is the responsibility of the manufacturer and/or the successful bidder to ensure and satisfy the State of Nebraska that there are factory authorized dealers, geographically located within the United States of America and the State of Nebraska, who will service and repair the vehicles being submitted for consideration without undue delay.
			2. It is the responsibility of the vendor to see that the following agencies have received, or will receive in a timely fashion, Fleet Buyers Guides and Source Book for ordering purposes: AS/Transportation Services Bureau, AS/Materiel Division Buyer, University of Nebraska-Lincoln Transportation Services, Game and Parks Commission, Department of Roads, and the Nebraska State Patrol.
			3. It is the obligation of the State of Nebraska to pay contingent upon legislative appropriation of funds for that purpose. Should said funds not be appropriated, the State of Nebraska may terminate this agreement. The State of Nebraska will give the vendor thirty days written notice of such termination.
			4. Vendor must indicate to whom payment is to be made, stating full name of company or entity, complete address and telephone number.
			5. After contract is awarded, payment will only be made as indicated unless written notification is made to the AS/Materiel/Purchasing Bureau requesting an addendum to the contract; must be done 30 days prior to the delivery of vehicle. THERE WILL BE NO EXCEPTIONS!
			6. If vendor is interested in electronic fund transfer (EFT) payment, please contact purchasing agency after contract has been awarded.
			7. The manufacturer and/or the successful bidder should allow the State of Nebraska to participate in the manufacturer's service training network. Service network includes dealer onsite training, schools and computer based training when applicable.
NOTES/COMMENTS:			

K. EXTENSION OPTION

YES	NO	NO & PROVIDE ALTERNATIVE	
			1. The State reserves the right to extend the period of this contract beyond the end date when mutually agreeable to the vendor and the State of Nebraska for fifty percent or less of the initial contract term, per Neb Rev § 81-1118
