Questions and Answers

Following are the questions submitted and answers provided for the above mentioned Invitation to Bid. The questions and answers are to be considered as part of the Invitation to Bid. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

Question Number	RFP Section Reference	RFP Page Number	Question	State Response
1.			Were Are any questions asked on this one?	See Addendum One.
2.			I don't see where they need rigging - only install and training	Per Section VI. G., Cornhusker State Industries (CSI) is expecting delivery at the main warehouse for all three machines. The agency will then transport to the individual shops and off load to an approximate location within the shop. Bidder is responsible for final placement and installation.
3.			Can they offload with forklift ? we will provide factory set-up and training	Each shop has a small forklift on site.
4.			They need to provide electrician and offload	CSI will provide and State staff will have to coordinate disconnecting the current and reconnection of the new.
5.			Do they want options like power lift table , digital read-out , or hour meter	Please feel free to add as optional line items on the Invitation to Bid Form (cost proposal) and they will be evaluated.

This addendum will become part of the Invitation to Bid and should be acknowledged with the Invitation to Bid.
