Optional Hourly Rates:

The State may require Monitoring and Technical Assistance on an as needed basis after Phase IV. There may arise from time to time a need for work not originally delineated in this RFP but considered within the scope of work. This additional work may stem from legislative mandates, emerging technologies, and/or additional disasters not otherwise addressed in this RFP or known at the time this RFP was issued.

Provide the hourly rate for additional consulting services for new time and materials projects that fall within the scope of this RFP that might be requested by NEMA. There is no guarantee regarding the number of hours that might be used.

The bidder must list each role/job title and provide an hourly rate. No additional charges will be allowed for travel or other expenses. Bidders may add additional lines as needed.
