Questions and Answers

Following are the questions submitted and answers provided for the above mentioned Invitation to Bid. The questions and answers are to be considered as part of the Invitation to Bid. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

<u>Question Number</u>	<u>ITB Section Reference</u>	<u>ITB Page Number</u>	<u>Question</u>	<u>State Response</u>
1.			When will the most recent solicitation 6203 OF, go into effect?	Anticipated start date of new contracts awarded from 6203 OF is April 23, 2020.
2.			And what happens to last year's contract 15120 OC, it was extended to July 23, 2020?	It is not the intent of the state to extend 15120 OC beyond the April 22, 2020 (the current expiration date). The extension would only be used and acted upon should unforeseen circumstances arise on the current ITB that would require a rejection of all bids or should the new contracts not be able to be executed by April 23, 2020.

This addendum will become part of the ITB and should be acknowledged with the Invitation to Bid response.
