Questions and Answers

Following are the questions submitted and answers provided for the above mentioned Request for Proposal. The questions and answers are to be considered as part of the Request for Proposal. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

<u>Question Number</u>	<u>RFP Section Reference</u>	<u>RFP Page Number</u>	<u>Question</u>	<u>State Response</u>
1.	VI. A.i. Summary of Bidder's Proposed Personnel/Management Approach		The last paragraph states that "Resumes should not be longer than three (3) pages. Resumes should include, at a minimum, academic background and degrees, professional certifications, understanding of the process, and at least three (3) references (name, address, and telephone number) who can attest to the competence and skill level of the individual. For our industry, it is customary to include a CV that highlights the academic background, certifications and publications of our scientific staff. A few of these are over 3 pages and are important for a full picture of the background of our key staff. It is acceptable to include a few CV's that are longer than 3 pages for our scientific staff?"	Per the RFP Glossary, 'should' is defined as "Expected; suggested, but not necessarily mandatory."

This addendum will become part of the Proposal and should be acknowledged with the Request for Proposal response.
