Questions that have a material impact on the solicitation or solicitation process, and relevant to all Contractors will be answered in writing and posted at <http://das.nebraska.gov/materiel/purchasing.html>. An answer must be posted to be binding on the State. The State will attempt to provide verbal answers to questions that do not impact the ITB or process, and are only of interest to an individual contractor during the conference. This addendum will become part of the proposal and should be acknowledged with the ITB.
