Dear Ms. Walton and Ms. Storant:

AT&T would like to thank the State of Nebraska (State) for providing AT&T an opportunity to respond to your request for Best and Final Offer (BAFO) for the Next Generation 911 Emergency Services IP Network (ESInet) and Next Generation Core Services (NGCS) RFP.

**BEST AND FINAL OFFER (BAFO):** Upon acceptance of the AT&T ESInet Service Activation by the State of Nebraska, as reflected in the updated Cost Proposal, AT&T will reduce the monthly recurring ESInet charges by \$4,820.52. Reducing the annual cost to the State of Nebraska by \$57,846.33.

AT&T feels strongly that our pricing is extremely competitive for the service and solution being offered, and we hope this effort shows good faith to the State of Nebraska, assuring confidence in moving forward with AT&T's ESInet Solution and our partnership for many years to come.

AT&T remains committed to providing the highest level of ESInet and NGCS Nationwide.

Thank you again for all your hard work on behalf of the Citizens of Nebraska.

Please contact me directly for any further questions or clarifications.

Thank you.

Sincerely,

A handwritten signature in black ink that reads "Justin Vaughn".
