# INVITATION TO BID

## Number 6296 OF

The State of Nebraska (State), Department of Administrative Services (DAS), Materiel Division, State Purchasing Bureau (SPB), is issuing this solicitation for a Commodity contract, ITB Number **6296 OF** for the purpose of selecting a qualified Contractor to provide **Industrial Fork Lift Truck, 5,000 Pound Capacity**. A more detailed description can be found in Section VI. The resulting contract may not be an exclusive contract as the State reserves the right to contract for the same or similar goods from other sources now or in the future.

The term of the Contract will be Two (2) years commencing upon execution of the Contract by the State and the Contractor (Parties). The Contract includes the option to renew for Two (2) additional Two (2) year periods upon mutual agreement of the Parties. The State reserves the right to extend the period of this contract beyond the termination date when mutually agreeable to the Parties.

### INFORMATION PERTINENT TO THIS SOLICITATION CAN BE FOUND ON THE INTERNET AT:

<http://das.nebraska.gov/materiel/purchasing.html>

**IMPORTANT NOTICE:** Pursuant to Neb. Rev. Stat. § 84-602.02, State contracts in effect as of January 1, 2014, and contracts entered into thereafter, must be posted to a public website. The resulting contract, the solicitation, and the awarded bid will be posted to a public website managed by DAS, which can be found at:

<https://statecontracts.nebraska.gov>

In addition and in furtherance of the State's public records statute (Neb. Rev. Stat. § 84-712 et seq.) all bids or responses received regarding this solicitation will be posted to the SPB website.

These postings will include the entire bid or response. Bidder must request that proprietary information be excluded from the posting. The Bidder must identify the proprietary information, mark the proprietary information according to State law, and submit the proprietary information in a separate container or envelope marked conspicuously using an indelible method with the words "PROPRIETARY INFORMATION". The Bidder must submit a **detailed written document showing** that the release of the proprietary information would give a business advantage to named business competitor(s) and explain how the named business competitor(s) will gain an actual business advantage by disclosure of information. The mere assertion that information is proprietary or that a speculative business advantage might be gained, is not sufficient (See Attorney General Opinion No. 92068, April 27, 1992). **THE BIDDER MAY NOT ASSERT THAT THE ENTIRE BID IS PROPRIETARY. COST WILL NOT BE CONSIDERED PROPRIETARY AND IS A PUBLIC RECORD IN THE STATE.** The State will then determine, in its discretion, if the interests served by nondisclosure outweighs any public purpose served by disclosure (See Neb. Rev. Stat. § 84-712.05(3)). The Bidder will be notified of the Agency's decision. Absent a State determination that information is proprietary, the State will consider all information a public record subject to release regardless of any assertion that the information is proprietary.

If the Agency determines it is required to release proprietary information, the Bidder will be informed. It will be the Bidder's responsibility to defend the Bidder's asserted interest in non-disclosure.

To facilitate such public postings, with the exception of proprietary information, the State reserves a royalty-free, nonexclusive, and irrevocable right to copy, reproduce, publish, post to a website, or otherwise use any contract or bid to this solicitation for any purpose, and to authorize others to use the documents. Any individual or entity awarded a contract, or who submits a bid to this solicitation, specifically waives any copyright or other protection the contract or bid to the solicitation may have; and, acknowledges that they have the ability and authority to enter into such waiver. This reservation and waiver is a prerequisite for submitting a bid to this solicitation, and award of a contract. Failure to agree to the reservation and waiver will result in the bid to the solicitation being found non-responsive and rejected.

**Any entity awarded a contract or submitting a bid to the solicitation agrees not to sue, file a claim, or make a demand of any kind, and will indemnify and hold harmless the State and its employees, volunteers, agents, and its elected and appointed officials from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses, sustained or asserted against the State, arising out of, resulting from, or attributable to the posting of the contract or the bids to the solicitation, awards, and other documents.**

It is the Bidder's responsibility to ensure sealed Bids are received in SPB by the date and time of the Bid Opening per the Schedule of Events. No late Bids will be accepted.

The ITB document must be manually signed in an indelible manner (electronic signatures are acceptable) and returned by the Bid Opening date and time along with any other requirements as stated in the ITB document in order for the Bidder's ITB to be evaluated.

It is the responsibility of the Bidder to check the website for all information relevant to this ITB to include addenda and/or amendments issued prior to the opening date. Website address is as follows: <http://das.nebraska.gov/materiel/purchasing.html>

Emphasis should be concentrated on conformance to the ITB instructions, responsiveness to requirements, completeness, and clarity of content. If the Bid is presented in such a fashion that makes evaluation difficult or overly time consuming the State reserves the right to reject the Bid as non-conforming.

**By signing the ITB, the Bidder guarantees compliance with the provisions stated in this ITB.**

**I. BID PREPARATION COSTS**

The State shall not incur any liability for any costs incurred by Bidders in replying to this solicitation, including any activity related to bidding on this solicitation.

**J. FAILURE TO COMPLY WITH ITB**

Violation of the Terms and Conditions contained in this solicitation or any resultant Contract, at any time before or after the Award, shall be grounds for action by the State which may include, but is not limited to, the following:

1. Rejection of a Bid;
2. Withdrawal of the Intent to Award;
3. Withdrawal of the Award;
4. Negative Vendor Performance Report(s)
5. Termination of the resulting contract;
6. Legal action; or,
7. Suspension of the Bidder from further bidding with the State for the period of time relative to the seriousness of the violation, such period to be within the sole discretion of the State.

**K. BID CORRECTIONS**

A Bidder may correct a mistake in a Bid prior to the time of opening by giving written notice to the State of intent to withdraw the Bid for modification or to withdraw the Bid completely. Changing a Bid after opening may be permitted if the change is made to correct a minor error that does not affect price, quantity, quality, delivery, or contractual conditions. In case of a mathematical error in extension of price, unit price shall govern.

**L. LATE BIDS**

Bids received after the time and date of the Bid Opening will be considered late Bids. Late Bids will be returned unopened, if requested by the Bidder and at Bidder's expense. The State is not responsible for Bids that are late or lost regardless of cause or fault.

**M. BID OPENING**

Anyone may attend the Bid Opening as it is considered a public opening. The Buyer will read the names of the respondents. Depending upon the complexity of the Bid for goods, the Buyer may read the Bids aloud or allow Bids be available for viewing by the public during the Bid Opening. Once the Bid Opening has concluded, the Bids will not be available for viewing until the Intent to Award has been posted. An Initial Bid Tabulation will be posted to the website as soon as feasible.

Information identified as proprietary by the submitting Bidder, in accordance with the solicitation and State statute, will not be posted. If the State determines submitted information should not be withheld, in accordance with the [Public Records Act](#), or if ordered to release any withheld information, said information may then be released. The submitting Bidder will be notified of the release and it shall be the obligation of the submitting Bidder to take further action, if it believes the information should not be released.

**N. ITB REQUIREMENTS**

The Bids will first be examined to determine if all requirements listed below have been addressed and whether further evaluation is warranted. Bids not meeting the requirements may be rejected as non-responsive. The requirements are:

1. Original Commodity ITB Document signed using an indelible method (electronic signatures are acceptable);
2. Clarity and responsiveness of the Bid;
3. Completed Sections II through VI; and,
4. Completed ITB Document or State's Bid Sheet.

**O. EVALUATION OF BIDS**

**All Bids responsive to the solicitation will be evaluated based on the following:**

**Neb. Rev. Stat. § 81-161 allows the quality of performance of previous Contracts to be considered when evaluating responses to competitively bid solicitations in determining the lowest responsible Bidder.** Information obtained from any Vendor Performance Report(s) (See Section II Terms & Conditions, Subsection H) may be used in evaluating responses to solicitations for goods and services to determine the best value for the State.

**Neb. Rev. Stat. § 73-107 allows for a preference for a Resident Disabled Veteran or business located in a designated Enterprise Zone.** When a State Contract is to be Awarded to the lowest responsible Bidder, a Resident Disabled Veteran or a business located in a designated Enterprise zone under the Enterprise Zone Act shall be allowed a preference over any other resident or nonresident contractor, if all other factors are equal.

**Resident Disabled Veterans means any person (a) who resides in the State of Nebraska, who served in the United States Armed Forces, including any reserve component or the National Guard, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and who possesses a disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense and (b)(i) who owns and controls a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection and (ii) the management and daily business operations of the business are controlled by one or more persons described in subdivision(a) of this subsection. Any contract entered into without compliance with this section shall be null and void.**

Therefore, if a Resident Disabled Veteran or business located in a designated Enterprise Zone submits a bid in accordance with Neb. Rev. Stat. § 73-107 and has so indicated on the ITB cover page requesting priority/preference to be considered in the award of this contract, the following will need to be submitted by the bidder within ten (10) business days of request:

1. Documentation from the United States Armed Forces confirming service;
2. Documentation of discharge or otherwise separated characterization of honorable or general (under honorable conditions);
3. Disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense; and,
4. Documentation which shows ownership and control of a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one (1) or more persons described in Subdivision (a) of this Subsection; and the management and daily business operations of the business are controlled by one (1) or more persons described in Subdivision (a) of this Subsection.

Failure to submit the requested documentation within ten (10) business days of notice will disqualify the Bidder from consideration of the preference.

**P. BEST AND FINAL OFFER**

If a BAFO is requested by the State and submitted by the Bidder, they will be evaluated (using the stated BAFO criteria) and ranked by the Evaluation Committee. The State reserves the right to conduct more than one (1) BAFO. The Award will then be granted to the lowest responsible Bidder. However, a Bidder should provide its best offer in its original Bid. Bidders should not expect that the State will request a BAFO.

**Q. REFERENCE AND CREDIT CHECKS**

The State reserves the right to conduct and consider reference and credit checks. The State reserves the right to use third parties to conduct reference and credit checks. By submitting a Bid in response to this solicitation, the Bidder grants to the State the right to contact or arrange a visit in person with any or all of the Bidder's clients. Reference and credit checks may be grounds to reject a Bid, withdraw an Intent to Award, or rescind the Award of a Contract.

**R. AWARD**

The State reserves the right to evaluate Bids and award Contracts in a manner utilizing criteria selected at the State's discretion and in the State's best interest. After evaluation of the Bids, or at any point in the solicitation process, the State may take one (1) or more of the following actions:

1. Amend the solicitation;
2. Extend the time of or establish a new Bid Opening time;
3. Waive deviations or errors in the State's solicitation process and in Bids that are not material, do not compromise the solicitation process or Bid, and do not improve a Bidder's competitive position;
4. Accept or reject a portion of or all of a Bid;
5. Accept or reject all Bids;
6. Withdraw the solicitation;
7. Elect to rebid the solicitation;
8. Award single lines or multiple lines to one (1) or more Bidders; or,
9. Award one (1) or more all-inclusive Contracts.

The State may consider, but is not limited to considering, one (1) or more of the following award criteria:

1. Price;
2. Location;
3. Quality;
4. Delivery time;
5. Bidder qualifications and capabilities; and,
6. State contract management requirements and/or costs.

The solicitation does not commit the State to Award a Contract. Once the Intent to Award decision has been determined, it will be posted to the Internet at:

<http://das.nebraska.gov/materiel/purchasing.html>

Any protests must be filed by a Bidder within ten (10) business days after the Intent to Award decision is posted to the Internet. The Grievance and Protest procedure is available on the Internet at:  
<http://das.nebraska.gov/materiel/purchasing.html>

**S. SPECIFICATIONS**

Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are for reference and not intended to limit competition, but will be used as the standard by which equivalent material offered will be judged. The Materiel Administrator or Designee will be the sole judge of equivalency. The Bidder may offer any brands which meet or exceeds the specifications. When a specific product is required, the solicitation will so state. Any item bid is to be the latest current model under standard production at the time of order. No used or refurbished equipment will be accepted, unless otherwise stated.

**T. ALTERNATE/EQUIVALENT BIDS**

The Bidder may offer Bids which are at variance from the express specifications of the solicitation. The State reserves the right to consider and accept such Bids if, in the judgment of the Materiel Administrator or Designee, the Bid will result in goods and/or services equivalent to or better than those which would be supplied in the original Bid specifications. The Bidder must indicate on the solicitation the manufacturer's name, number and shall submit with their Bid sketches, descriptive literature and/or complete specifications. Reference to literature submitted with a previous Bid will not satisfy this provision. Bids which do not comply with these requirements are subject to rejection. In the absence of any stated deviation or exception, the Bid will be accepted as in strict compliance with all terms, conditions and specification, and the Bidder shall be held liable therefore.

**U. "LUMP SUM" OR "ALL OR NONE" BIDS**

The State reserves the right to purchase "item-by-item", by groups or as a total when the State may benefit by so doing. Bidders may submit a Bid on an "all or none" or "lump sum" basis, but should also submit a Bid on an "item-by-item" basis. The term "all or none" means a conditional Bid which requires the purchase of all items on which Bids are offered and the Bidder declines to accept award on individual items; a "lump sum" Bid is one in which the Bidder offers a lower price than the sum of the individual Bids if all items are purchased, but agrees to deliver individual items at the prices quoted.

**V. EMAIL SUBMISSIONS**

SPB will not accept Bids by email, electronic, voice, or telephone **except** for One-Time Purchases under \$50,000.00.

**W. BID TABULATIONS**

**Y. RESIDENT BIDDER**

Pursuant to Neb. Rev. Stat. §§ 73-101.01 through 73-101.02, a Resident Bidder shall be allowed a preference against a Non-resident Bidder from a state which gives or requires a preference to Bidders from that state. The preference shall be equal to the preference given or required by the state of the Non-resident Bidders. Where the lowest responsible bid from a Resident Bidder is equal in all respects to one from a Non-resident Bidder from a state which has no preference law, the Resident Bidder shall be awarded the Contract. The provision of this preference shall not apply to any Contract for any project upon which Federal funds would be withheld because of the provisions of this preference.

**II. TERMS AND CONDITIONS**

**A. Bidders should complete Sections II through VI as part of their Bid.**

The Bidder is expected to read the Terms and Conditions and must initial either accept, reject, or reject and provide alternative language for each clause. The Bidder should also provide an explanation of why the Bidder rejected the clause or rejected the clause and provided alternate language using "Track Changes". Upon request an electronic copy of the Bid with "Track Changes" must be submitted in an editable Word format.

By signing the solicitation, the Bidder is agreeing to be legally bound by all the accepted terms and conditions, and any proposed alternative terms and conditions submitted with the Bid. The State reserves the right to negotiate rejected or proposed alternative language. If the State and Bidder fail to agree on the final Terms and Conditions, the State reserves the right to reject the Bid. The State is soliciting Bids in response to the solicitation. The State reserves the right to reject Bids that attempt to substitute the Bidder's commercial contracts and/or documents for this solicitation.

The Bidder should submit with their Bid any license, user agreement, service level agreement, or similar documents that the Bidder wants incorporated in the Contract. Upon notice of Intent to Award, the Bidder must submit a copy of these documents in an editable Word format. The State will not consider incorporation of any document not submitted with the Bid. These documents shall be subject to negotiation and will be incorporated as addendums if agreed to by the Parties.

If a conflict or ambiguity arises after the addendums have been negotiated and agreed to, the addendums shall be interpreted as follows:

1. If only one (1) Party's document has a particular clause then that clause shall control;
2. If both Party's documents have a similar clause, but the clauses do not conflict, the clauses shall be read together;
3. If both Party's documents have a similar clause, but the clauses conflict, the State's clause shall control.

Said notice shall be delivered by Certified Mail, Return Receipt Requested, or in person with proof of delivery.

Allowing time to cure a failure or breach of contract does not waive the right to immediately terminate the Contract for the same or different Contract breach which may occur at a different time.

In case of breach by the Contractor, the State may, without unreasonable delay, make a good faith effort to make a reasonable purchase or contract to purchase goods in substitution of those due from the Contractor.
