**SCOPE OF SERVICE**

The State of Nebraska (State), Nebraska Department of Health and Human Services, Nebraska Department of Correctional Services and Nebraska Department of Veterans' Affairs, is issuing this Request for Proposal (RFP) Number 6322 Z1 for the purpose of selecting a qualified Bidder to provide Temporary Medical Staffing Services. A more detailed description can be found in Section V. The resulting contract(s) may not be an exclusive contract(s) as the State reserves the right to contract for the same or similar services from other sources now or in the future.

The term of the contract will be four (4) years commencing upon execution of the contract by the State. The Contract includes the option to renew for three (3) additional two (2) periods upon mutual agreement of the Parties. The State reserves the right to extend the period of this contract(s) beyond the termination date when mutually agreeable to the Parties.

ALL INFORMATION PERTINENT TO THIS REQUEST FOR PROPOSAL CAN BE FOUND ON THE INTERNET AT:  
<http://das.nebraska.gov/materiel/purchasing.html>.

**IMPORTANT NOTICE:** Pursuant to Neb. Rev. Stat. § 84-602.04, State contracts in effect as of January 1, 2014, and contracts entered into thereafter, must be posted to a public website. The resulting contract, the Request for Proposal, and the successful contractor's proposal or response will be posted to a public website managed by DAS, which can be found at <http://statecontracts.nebraska.gov>.

In addition and in furtherance of the State's public records Statute (Neb. Rev. Stat. § 84-712 et seq.), all proposals or responses received regarding this Request for Proposal will be posted to the State Purchasing Bureau public website.

These postings will include the entire proposal or response. Bidder must request that proprietary information be excluded from the posting. The bidder must identify the proprietary information, mark the proprietary information according to state law, and submit only the proprietary information in a separate container or envelope marked conspicuously with the words "PROPRIETARY INFORMATION". The bidder must submit a detailed written document showing that the release of the proprietary information would give a business advantage to named business competitor(s) and explain how the named business competitor(s) will gain an actual business advantage by disclosure of information. The mere assertion that information is proprietary or that a speculative business advantage might be gained is not sufficient. (See Attorney General Opinion No. 92068, April 27, 1992) THE SUPPLIER MAY NOT ASSERT THAT THE ENTIRE PROPOSAL IS PROPRIETARY. COST PROPOSALS WILL NOT BE CONSIDERED PROPRIETARY AND ARE A PUBLIC RECORD IN THE STATE OF NEBRASKA. The State will determine, in its sole discretion, if the disclosure of the information designated by the Bidder as proprietary would 1) give advantage to business competitors and 2) serve no public purpose. The Bidder will be notified of the State's decision. Absent a determination by the State that the information may be withheld pursuant to Neb. Rev. Stat. § 84-712.05, the State will consider all information a public records subject to disclosure.

If the agency determines it is required to release proprietary information, the bidder will be informed. It will be the bidder's responsibility to defend the bidder's asserted interest in non-disclosure.

To facilitate such public postings, with the exception of proprietary information, the State of Nebraska reserves a royalty-free, nonexclusive, and irrevocable right to copy, reproduce, publish, post to a website, or otherwise use any contract, proposal, or response to this Request for Proposal for any purpose, and to authorize others to use the documents. Any individual or entity awarded a contract, or who submits a proposal or response to this Request for Proposal, specifically waives any copyright or other protection the contract, proposal, or response to the Request for Proposal may have; and, acknowledges that they have the ability and authority to enter into such waiver. This reservation and waiver is a prerequisite for submitting a proposal or response to this Request for Proposal, and award of a contract. Failure to agree to the reservation and waiver will result in the proposal or response to the Request for Proposal being found non-responsive and rejected.

Any entity awarded a contract or submitting a proposal or response to the Request for Proposal agrees not to sue, file a claim, or make a demand of any kind, and will indemnify and hold harmless the State and its employees, volunteers, agents, and its elected and appointed officials from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses, sustained or asserted against the State, arising out of, resulting from, or attributable to the posting of the contract or the proposals and responses to the Request for Proposal, awards, and other documents.

- c. If multiple RFP proposals are submitted for the same RFP, the file names should be identified as 6322 Z1 Proposal #1 Company Name; 6322 Z1 Proposal #2 Company Name, etc.

It is the bidder's responsibility to ensure the RFP is electronically received by the date and time indicated in the Schedule of Events. **IT IS THE BIDDER'S RESPONSIBILITY TO UPLOAD ELECTRONIC FILES WITH ENOUGH AMOUNT OF TIME IN CASE OF USER ISSUE OR SOFTWARE ISSUE.** No late proposals will be accepted.

The Request for Proposal form must be manually signed in an indelible manner or by DocuSign and uploaded by the proposal opening date and time along with the bidder's proposal.

It is the responsibility of the bidder to check the website for all information relevant to this Request for Proposal to include addenda and/or amendments issued prior to the opening date. Website address is as follows: <http://das.nebraska.gov/materiel/purchasing.html>.

Emphasis should be concentrated on conformance to the RFP instructions, responsiveness to requirements, completeness, and clarity of content. If the bidder's proposal is presented in such a fashion that makes evaluation difficult or overly time consuming the State reserves the right to reject the proposal as non-conforming.

By signing the "Request for Proposal for Contractual Services" form, the bidder guarantees compliance with the provisions stated in this Request for Proposal.

The State shall not incur any liability for any costs incurred by bidders in replying to this RFP, in the demonstrations and/or presentations, or in any other activity related to bidding on this RFP.

The Cost Proposal and any Proprietary Information should be submitted as separate electronic files and identified as such.

**I. PROPOSAL PREPARATION COSTS**

The State shall not incur any liability for any costs incurred by bidders in replying to this Request for Proposal, including any activity related to bidding on this Request for Proposal.

**J. FAILURE TO COMPLY WITH REQUEST FOR PROPOSAL**

Violation of the terms and conditions contained in this Request for Proposal or any resultant contract, at any time before or after the award, shall be grounds for action by the State which may include, but is not limited to, the following:

1. Rejection of a bidder's proposal;
2. Withdrawal of the Intent to Award;
3. Withdrawal of the Award;
4. Negative Vendor Performance Report(s)
5. Termination of the resulting contract;
6. Legal action; and
7. Suspension of the bidder from further bidding with the State for the period of time relative to the seriousness of the violation, such period to be within the sole discretion of the State.

**K. PROPOSAL FILE CORRECTIONS**

A bidder may correct a mistake in a proposal prior to the Proposal Opening Date and Time by uploading a revised and completed RFP proposal.

If a corrected RFP proposal is submitted, at RFP proposal opening time, the file name(s) date/time stamped with the latest date/time stamp will be accepted as final proposal. The corrected RFP file name(s) should be identified as Corrected Proposal #1, Corrected Proposal #2, etc.

Changing a proposal after opening may be permitted if the change is made to correct a minor error that does not affect price, quantity, quality, delivery, or contractual conditions. In case of a mathematical error in extension of price, unit price shall govern.

**L. LATE PROPOSALS**

Proposals received after the time and date of the proposal opening will be considered late proposals. Late proposals will be returned unopened, if requested by the contractor and at contractor's expense. The State is not responsible for proposals that are late or lost regardless of cause or fault.

A bidder may give notice to the State of intent to withdraw the proposal completely by submitting an electronic notice to the POC.

**M. PROPOSAL OPENING**

The opening of proposals will be public and the contractors will be announced. Proposals **WILL NOT** be available for viewing by those present at the proposal opening. Proposals will be posted to the State Purchasing Bureau website

once an Intent to Award has been posted to the website. Information identified as proprietary by the submitting contractor, in accordance with the Request for Proposal and state statute, will not be posted. If the state determines submitted information should not be withheld, in accordance with the [Public Records Act](#), or if ordered to release any withheld information, said information may then be released. The submitting contractor will be notified of the release and it shall be the obligation of the submitting contractor to take further action, if it believes the information should not be released. (See RFP signature page for further details) Contractors may contact the State to schedule an appointment for viewing proposals after the Intent to Award has been posted to the website. Once proposals are opened, they become the property of the State of Nebraska and will not be returned.

**N. REQUEST FOR PROPOSAL/PROPOSAL REQUIREMENTS**

The proposals will first be examined to determine if all requirements listed below have been addressed and whether further evaluation is warranted. Proposals not meeting the requirements may be rejected as non-responsive. The requirements are:

1. Original Request for Proposal for Contractual Services form signed using an indelible method;
2. Clarity and responsiveness of the proposal;
3. Completed Corporate Overview;
4. Completed Sections II through VII; and
5. Completed State Cost Proposal Template.

**O. EVALUATION COMMITTEE**

Proposals are evaluated by members of an Evaluation Committee(s). The Evaluation Committee(s) will consist of individuals selected at the discretion of the State. Names of the members of the Evaluation Committee(s) will not be published prior to the intent to award.

Any contact, attempted contact, or attempt to influence an evaluator that is involved with this Request for Proposal may result in the rejection of this proposal and further administrative actions.

**P. EVALUATION OF PROPOSALS**

All proposals that are responsive to the Request for Proposal will be evaluated. Each evaluation category will have a maximum point potential. The State will conduct a fair, impartial, and comprehensive evaluation of all proposals in accordance with the criteria set forth below. Areas that will be addressed and scored during the evaluation include:

1. Corporate Overview should include but is not limited to:
  - a. the ability, capacity, and skill of the bidder to deliver and implement the system or project that meets the requirements of the Request for Proposal;
  - b. the character, integrity, reputation, judgment, experience, and efficiency of the bidder;
  - c. whether the bidder can perform the contract within the specified time frame;
  - d. the quality of vendor performance on prior contracts;
  - e. such other information that may be secured and that has a bearing on the decision to award the contract;
2. Cost Proposal.

**Neb. Rev. Stat. §81-161 allows the quality of performance of previous contracts to be considered when evaluating responses to competitively bid Request for Proposals in determining the lowest responsible bidder.** Information obtained from any Vendor Performance Report (See Terms & Conditions, Section H) may be used in evaluating responses to Request for Proposals for goods and services to determine the best value for the State.

**Neb. Rev. Stat. §73-107 allows for a preference for a resident disabled veteran or business located in a designated enterprise zone.** When a state contract is to be awarded to the lowest responsible bidder, a resident disabled veteran or a business located in a designated enterprise zone under the Enterprise Zone Act shall be allowed a preference over any other resident or nonresident bidder, if all other factors are equal.

**Resident disabled veterans means any person (a) who resides in the State of Nebraska, who served in the United States Armed Forces, including any reserve component or the National Guard, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and who possesses a disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense and (b)(i) who owns and controls a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection and (ii) the management and daily business operations of the business are controlled by one or**

**more persons described in subdivision(a) of this subsection. Any contract entered into without compliance with this section shall be null and void.**

Therefore, if a resident disabled veteran or business located in a designated enterprise zone submits a proposal in accordance with Neb. Rev. Stat. §73-107 and has so indicated on the Request for Proposal cover page under "Bidder must complete the following" requesting priority/preference to be considered in the award of this contract, the following will need to be submitted by the bidder within ten (10) business days of request:

1. Documentation from the United States Armed Forces confirming service;
2. Documentation of discharge or otherwise separated characterization of honorable or general (under honorable conditions);
3. Disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense; and
4. Documentation which shows ownership and control of a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection; and the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection.

Failure to submit the requested documentation within ten (10) business days of notice will disqualify the bidder from consideration of the preference.

Evaluation criteria weighting will be released with the Request for Proposal.

**Q. PRESENTATIONS AND/OR DEMONSTRATIONS**

The State may determine after the completion of the Technical and Cost Proposal evaluation that presentations and/or demonstrations are required. Every bidder may not be given an opportunity to present and/or give demonstrations; the State reserves the right, in its discretion, to select only the top scoring bidders to present/give demonstrations. The scores from the presentations and/or demonstrations will be added to the scores from the Technical and Cost Proposals. The presentation process will allow the bidders to demonstrate their proposal offering, explaining and/or clarifying any unusual or significant elements related to their proposals. Bidders' key personnel, identified in their proposal, may be requested to participate in a structured interview to determine their understanding of the requirements of this proposal, their authority and reporting relationships within their firm, and their management style and philosophy. Only representatives of the State and the presenting bidder will be permitted to attend the presentations and/or demonstrations. A written copy or summary of the presentation, and demonstrative information (such as briefing charts, et cetera) may be offered by the bidder, but the State reserves the right to refuse or not consider the offered materials. Bidders shall not be allowed to alter or amend their proposals.

Once the presentations and/or demonstrations have been completed, the State reserves the right to make an award without any further discussion with the bidders regarding the proposals received.

Any cost incidental to the presentations and/or demonstrations shall be borne entirely by the bidder and will not be compensated by the State.

**R. BEST AND FINAL OFFER**

If best and final offers (BAFO) are requested by the State and submitted by the bidder, they will be evaluated (using the stated BAFO criteria), scored, and ranked by the Evaluation Committee. The State reserves the right to conduct more than one Best and Final Offer. The award will then be granted to the highest scoring bidder. However, a bidder should provide its best offer in its original proposal. Bidders should not expect that the State will request a best and final offer.

**S. REFERENCE AND CREDIT CHECKS**

The State reserves the right to conduct and consider reference and credit checks. The State reserves the right to use third parties to conduct reference and credit checks. By submitting a proposal in response to this Request for Proposal, the contractor grants to the State the right to contact or arrange a visit in person with any or all of the bidder's clients. Reference and credit checks may be grounds to reject a proposal, withdraw an intent to award, or rescind the award of a contract.

**T. AWARD**

The State reserves the right to evaluate proposals and award contracts in a manner utilizing criteria selected at the State's discretion and in the State's best interest. After evaluation of the proposals, or at any point in the Request for Proposal process, the State of Nebraska may take one or more of the following actions:

1. Amend the Request for Proposal;
2. Extend the time of or establish a new proposal opening time;

3. Waive deviations or errors in the State's Request for Proposal process and in bidder's proposals that are not material, do not compromise the Request for Proposal process or a bidder's proposal, and do not improve a bidder's competitive position;
4. Accept or reject a portion of or all of a proposal;
5. Accept or reject all proposals;
6. Withdraw the Request for Proposal;
7. Elect to rebid the Request for Proposal;
8. Award single lines or multiple lines to one or more bidder's; or,
9. Award one or more all-inclusive contracts.

The Request for Proposal does not commit the State to award a contract. Once the Intent to Award decision has been determined, it will be posted to the Internet at: <http://das.nebraska.gov/materiel/purchasing.html>

Any protests must be filed by a bidder within ten (10) business days after the Intent to Award decision is posted. Grievance and protest procedure is available at: <http://das.nebraska.gov/materiel/purchasing.html>

**U. ALTERNATE/EQUIVALENT PROPOSALS**

Bidder may offer proposals which are at variance from the express specifications of the Request for Proposal. The State reserves the right to consider and accept such proposals if, in the judgment of the Materiel Administrator, the proposal will result in goods and/or services equivalent to or better than those which would be supplied in the original proposal specifications. Bidder must indicate on the Request for Proposal the manufacturer's name, number and shall submit with their proposal, sketches, descriptive literature and/or complete specifications. Reference to literature submitted with a previous proposal will not satisfy this provision. Proposals which do not comply with these requirements are subject to rejection. In the absence of any stated deviation or exception, the proposal will be accepted as in strict compliance with all terms, conditions and specification, and the Bidder shall be held liable therefore.

**V. LUMP SUM OR "ALL OR NONE" PROPOSALS**

The State reserves the right to purchase item-by-item, by groups or as a total when the State may benefit by so doing. Bidders may submit a proposal on an "all or none" or "lump sum" basis, but should also submit a proposal on an item-by-item basis. The term "all or none" means a conditional proposal which requires the purchase of all items on which proposals are offered and bidder declines to accept award on individual items; a "lump sum" proposal is one in which the bidder offers a lower price than the sum of the individual proposals if all items are purchased, but agrees to deliver individual items at the prices quoted.

**W. EMAIL SUBMISSIONS**

SPB will not accept proposals by email, voice, or telephone proposals except for one-time purchases under \$50,000.00.

**X. REJECTION OF PROPOSALS**

The State reserves the right to reject any or all proposals, wholly or in part.

**Y. RESIDENT BIDDER**

Pursuant to Neb. Rev. Stat. §§ 73-101.01 through 73-101.02, a Resident Bidder shall be allowed a preference against a Non-resident Bidder from a state which gives or requires a preference to Bidders from that state. The preference shall be equal to the preference given or required by the state of the Nonresident Bidders. Where the lowest responsible bid from a resident Bidder is equal in all respects to one from a nonresident Bidder from a state which has no preference law, the resident Bidder shall be awarded the contract. The provision of this preference shall not apply to any contract for any project upon which federal funds would be withheld because of the provisions of this preference.

**II. TERMS AND CONDITIONS**

**Bidders should complete Sections II through VII as part of their proposal.** Bidder is expected to read the Terms and Conditions and should initial either accept, reject, or reject and provide alternative language for each clause. The bidder should also provide an explanation of why the bidder rejected the clause or rejected the clause and provided alternate language. By signing the Request for Proposal, bidder is agreeing to be legally bound by all the accepted terms and conditions, and any proposed alternative terms and conditions submitted with the proposal. The State reserves the right to negotiate rejected or proposed alternative language. If the State and bidder fail to agree on the final Terms and Conditions, the State reserves the right to reject the proposal. The State of Nebraska is soliciting proposals in response to this Request for Proposal. The State of Nebraska reserves the right to reject proposals that attempt to substitute the bidder’s commercial contracts and/or documents for this Request for Proposal.

The bidders should submit with their proposal any license, user agreement, service level agreement, or similar documents that the bidder wants incorporated in the Contract. The State will not consider incorporation of any document not submitted with the bidder’s proposal as the document will not have been included in the evaluation process. These documents shall be subject to negotiation and will be incorporated as addendums if agreed to by the Parties.

If a conflict or ambiguity arises after the Addendum to Contract Award have been negotiated and agreed to, the Addendum to Contract Award shall be interpreted as follows:

1. If only one Party has a particular clause then that clause shall control;
2. If both Parties have a similar clause, but the clauses do not conflict, the clauses shall be read together;
3. If both Parties have a similar clause, but the clauses conflict, the State’s clause shall control.

**D. GOVERNING LAW (Statutory)**

Notwithstanding any other provision of this contract, or any amendment or addendum(s) entered into contemporaneously or at a later time, the parties understand and agree that, (1) the State of Nebraska is a sovereign state and its authority to contract is therefore subject to limitation by the State's Constitution, statutes, common law, and regulation; (2) this contract will be interpreted and enforced under the laws of the State of Nebraska; (3) any action to enforce the provisions of this agreement must be brought in the State of Nebraska per state law; (4) the person signing this contract on behalf of the State of Nebraska does not have the authority to waive the State's sovereign immunity, statutes, common law, or regulations; (5) the indemnity, limitation of liability, remedy, and other similar provisions of the final contract, if any, are entered into subject to the State's Constitution, statutes, common law, regulations, and sovereign immunity; and, (6) all terms and conditions of the final contract, including but not limited to the clauses concerning third party use, licenses, warranties, limitations of liability, governing law and venue, usage verification, indemnity, liability, remedy or other similar provisions of the final contract are entered into specifically subject to the State's Constitution, statutes, common law, regulations, and sovereign immunity.

The Parties must comply with all applicable local, state and federal laws, ordinances, rules, orders, and regulations.

**E. BEGINNING OF WORK**

The contractor shall not commence any billable work until a valid contract has been fully executed by the State and the successful bidder. The awarded bidder will be notified in writing when work may begin.

**F. AMENDMENT**

This Contract may be amended in writing, within scope, upon the agreement of both parties.

**G. CHANGE ORDERS OR SUBSTITUTIONS**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within RFP Response (Initial)	NOTES/COMMENTS:
CT			

The State and the Contractor, upon the written agreement, may make changes to the contract within the general scope of the Request for Proposal. Changes may involve specifications, the quantity of work, or such other items as the State may find necessary or desirable. Corrections of any deliverable, service, or work required pursuant to the contract shall not be deemed a change. The Contractor may not claim forfeiture of the contract by reasons of such changes.

The Contractor shall prepare a written description of the work required due to the change and an itemized cost sheet for the change. Changes in work and the amount of compensation to be paid to the Contractor shall be determined in accordance with applicable unit prices if any, a pro-rated value, or through negotiations. The State shall not incur a price increase for changes that should have been included in the Contractor's proposal, were foreseeable, or result from difficulties with or failure of the Contractor's proposal or performance.

No change shall be implemented by the Contractor until approved by the State, and the Contract is amended to reflect the change and associated costs, if any. If there is a dispute regarding the cost, but both parties agree that immediate implementation is necessary, the change may be implemented, and cost negotiations may continue with both Parties retaining all remedies under the contract and law.

**I. NOTICE OF POTENTIAL CONTRACTOR BREACH**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within RFP Response (Initial)	NOTES/COMMENTS:
CT			

If Contractor breaches the contract or anticipates breaching the contract, the Contractor shall immediately give written notice to the State. The notice shall explain the breach or potential breach, a proposed cure, and may include a request for a waiver of the breach if so desired. The State may, in its discretion, temporarily or permanently waive the breach. By granting a waiver, the State does not forfeit any rights or remedies to which the State is entitled by law or equity, or pursuant to the provisions of the contract. Failure to give immediate notice, however, may be grounds for denial of any request for a waiver of a breach.

**J. BREACH**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within RFP Response (Initial)	NOTES/COMMENTS:
CT			

Either Party may terminate the contract, in whole or in part, if the other Party breaches its duty to perform its obligations under the contract in a timely and proper manner. Termination requires written notice of default and a thirty (30) calendar day (or longer at the non-breaching Party's discretion considering the gravity and nature of the default) cure period. Said notice shall be delivered by Certified Mail, Return Receipt Requested, or in person with proof of delivery. Allowing time to cure a failure or breach of contract does not waive the right to immediately terminate the contract for the same or different contract breach which may occur at a different time. In case of default of the Contractor, the State may contract the service from other sources and hold the Contractor responsible for any excess cost occasioned thereby. OR In case of breach by the Contractor, the State may, without unreasonable delay, make a good faith effort to make a reasonable purchase or contract to purchased goods in substitution of those due from the contractor. The State may recover from the Contractor as damages the difference between the costs of covering the breach. Notwithstanding any clause to the contrary, the State may also recover the contract price together with any incidental or consequential damages defined in UCC Section 2-715, but less expenses saved in consequence of Contractor's breach.

The State's failure to make payment shall not be a breach, and the Contractor shall retain all available statutory remedies and protections.

CT			

If any term or condition of the contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and conditions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the provision held to be invalid or illegal.

**K. PAYMENT SCHEDULE**

The payment schedule for the project is tied to specific dates and deliverables. Invoices may be submitted by the contractor on specific dates based on the completion and acceptance of related deliverables. No Invoice will be approved unless the associated deliverables have been approved. A percentage of the total contract cost may then be invoiced base on the following schedule.

The State will not pay for any temporary staff member provided by the Contractor if that staff member is quarantined and unable to work an assigned shift due to the COVID-19 pandemic or other public health crisis. The Contractor must notify the Facility Director or designee at least four (4) hours prior to a scheduled shift if the temporary staff

member is quarantined and unable to work an assigned shift. The State's position is to only pay the contractor for hours worked at the assigned facility by the assigned staff.

**L. AGENCY RESPONSIBILITIES**

1. The agency shall ensure that the Contractor's staffing performance is within the parameters of the contract and in accordance with any and all accreditation standards, minimum standards for hospitals and correctional facilities in Nebraska, as applicable, and the policies and procedures of the agency.
2. At the request of the agency upon thirty (30) days advance written notice, the Contractor shall discontinue temporary staffing service at any facility at no additional cost to the agency.
3. If there are multiple Contractors that can provide a temporary staffing position in a facility, the agency shall make the initial referral to the Contractor with the lowest cost. If a referral is declined, the agency will make a referral to the Contractor with the next lowest cost, until all available Contractors in said facility have been contacted.

**M. DELIVERABLES**

Deliverables are the provision of qualified temporary staff as requested. Refer to the Cost Proposals, Options 1-3.

Agency Personnel Timesheets signed and approved by designated supervisor of hours worked. Any other documentation as required by the State for accountability.

## **VI. CORPORATE OVERVIEW**

This section documents the requirements that should be met by bidders in preparing the Corporate Overview.

### **A. BIDDER IDENTIFICATION AND INFORMATION**

The contractor should provide the full company or corporate name, address of the company's headquarters, entity organization (corporation, partnership, proprietorship), state in which the contractor is incorporated or otherwise organized to do business, year in which the contractor first organized to do business and whether the name and form of organization has changed since first organized.

### **B. FINANCIAL STATEMENTS**

The contractor should provide financial statements applicable to the firm. If publicly held, the contractor should provide a copy of the corporation's most recent audited financial reports and statements, and the name, address, and telephone number of the fiscally responsible representative of the contractor's financial or banking organization.

If the contractor is not a publicly held corporation, either the reports and statements required of a publicly held corporation, or a description of the organization, including size, longevity, client base, areas of specialization and expertise, and any other pertinent information, should be submitted in such a manner that proposal evaluators may reasonably formulate a determination about the stability and financial strength of the organization. Additionally, a non-publicly held firm should provide a banking reference.

The contractor must disclose any and all judgments, pending or expected litigation, or other real or potential financial reversals, which might materially affect the viability or stability of the organization, or state that no such condition is known to exist.

The State may elect to use a third party to conduct credit checks as part of the corporate overview evaluation.

### **C. CHANGE OF OWNERSHIP**

If any change in ownership or control of the company is anticipated during the twelve (12) months following the proposal due date, the contractor should describe the circumstances of such change and indicate when the change will likely occur. Any change of ownership to an awarded contractor(s) will require notification to the State.

### **D. OFFICE LOCATION**

The contractor's office location responsible for performance pursuant to an award of a contract with the State of Nebraska should be identified.

### **E. RELATIONSHIP WITH THE STATE**

The contractor should describe any dealings with the State over the previous five (5) years. If the organization, its predecessor, or any Party named in the contractor's proposal response has contracted with the State, the contractor should identify the contract number(s) and/or any other information available to identify such contract(s). If no such contracts exist, so declare.

### **F. BIDDER'S EMPLOYEE RELATIONS TO THE STATE**

If any Party named in the contractor's proposal response is or was an employee of the State within the past twenty-four (24) months, identify the individual(s) by name, State agency with whom employed, job title or position held with the State, and separation date. If no such relationship exists or has existed, so declare.

If any employee of any agency of the State of Nebraska is employed by the contractor or is a Subcontractor to the contractor, as of the due date for proposal submission, identify all such persons by name, position held with the contractor, and position held with the State (including job title and agency). Describe the responsibilities of such persons within the proposing organization. If, after review of this information by the State, it is determined that a conflict of interest exists or may exist, the contractor may be disqualified from further consideration in this proposal. If no such relationship exists, so declare.

### **G. CONTRACT PERFORMANCE**

If the bidder or any proposed Subcontractor has had a contract terminated for default during the past five (5) years, all such instances must be described as required below. Termination for default is defined as a notice to stop performance delivery due to the contractor's non-performance or poor performance, and the issue was either not litigated due to inaction on the part of the contractor or litigated and such litigation determined the contractor to be in default.

It is mandatory that the contractor submit full details of all termination for default experienced during the past five (5) years, including the other Party's name, address, and telephone number. The response to this section must present the contractor's position on the matter. The State will evaluate the facts and will score the contractor's proposal

accordingly. If no such termination for default has been experienced by the contractor in the past five (5) years, so declare.

If at any time during the past five (5) years, the contractor has had a contract terminated for convenience, non-performance, non-allocation of funds, or any other reason, describe fully all circumstances surrounding such termination, including the name and address of the other contracting Party.

If a contractor performed as the prime Contractor, the description should provide the originally scheduled completion date and budget, as well as the actual (or currently planned) completion date and actual (or currently planned) budget.
2. Contractor and Subcontractor(s) experience should be listed separately. Narrative descriptions submitted for Subcontractors should be specifically identified as Subcontractor projects.

In addition, Subcontractors should identify what share of contract costs, project responsibilities, and time period were performed as a Subcontractor.

**CLINISTIC MEDICAL STAFFING, INC.**

**EXAMPLE OF SERVICE AGREEMENT CONTRACT**

**Healthcare Agreement  
(For Nebraska Locations)**

This supplemental Healthcare Services Agreement (hereinafter "Agreement"), made and entered in to this \_\_\_ day of \_\_\_\_\_ (month) 20\_\_\_, between the State of Nebraska (hereinafter "Facility") located at 1526 K Street, Suite 130 Lincoln, NE 68508 and Clinistic Medical Staffing, Inc. (hereinafter "Clinistic"), hereinafter collectively referred to as the parties.

WHEREAS, Facility operates a medical facility requiring supplemental clinical and administrative staff;

WHEREAS, Clinistic is a staffing company with the ability to provide supplemental clinical and administrative staff [hereinafter "Supplemental Staff"] for the purpose of providing health services to patients of Facility; and

WHEREAS, Facility and Clinistic have determined that it would be in the best interest of the patients' care and it would promote optimum use of resources to enter this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and Agreements herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Facility and Clinistic agree as follows:

Purpose of Agreement: This Agreement is entered in to in order to provide Facility with supplemental staffing of healthcare personnel commensurate with Facility's need for said services. Clinistic shall use its best efforts to provide qualified supplemental staff to furnish sufficient full and part-time Supplemental Staff to Facility. The parties expressly agree that all Supplemental Staff are required to diligently devote such time and best efforts as are reasonably required in the performance of their services. The parties agree that Supplemental Staff are required to perform their services conscientiously, efficiently and to the best of their ability. Nothing contained herein shall preclude Supplemental Staff from engaging in other business activities unrelated to the Facility, provided that such activities do not interfere in any way with the performance of their obligations under this Agreement. All Supplemental Staff engaged under this Agreement shall render their services to the Facility pursuant to the instruction and direction of Facility's administration to whom they shall report. All Supplemental Staff shall be subject to all applicable policies and procedures of Facility.

1. Term: This Agreement shall commence when signed by both authorized representatives of the Facility and shall continue indefinitely, unless sooner terminated as provided herein.
2. Standard of Performance: In performing its obligations under this Agreement, Clinistic shall act in good faith and with reasonable diligence. Facility and Clinistic agree and acknowledge that their mutual goal is for Facility to provide quality health care to patients of Facility in a professional, efficient and economic manner and that Facility has entered into this Agreement with Clinistic for the purpose of providing such health care to its patients.
3. Obligations of Clinistic:
  - a. Clinistic agrees that it shall ensure that all Supplemental Staff provided to Facility are fully familiar with Facility policies, Facility's job descriptions, Facility protocols and established standards of care. However, any onsite orientation of Supplemental Staff shall be the Facility's responsibility to be billed out hourly at agreed upon rates indicated in Schedule A of this agreement.

- b. Clinistic will pay wages to Supplemental Staff in accordance with Nebraska wage and hour laws including, but not limited to, provisions of the Nebraska Labor Code.
- c. Clinistic and Facility agree that all non-exempt Supplemental Staff are to be provided with meal and rest periods in accordance with Nebraska law, and that meal periods are to be recorded on Supplemental Staff time slips. Specifically, Supplemental Staff will be provided a paid ten minute break for every four hours worked, or major fraction thereof. These breaks are to be ten consecutive uninterrupted minutes taken as close to the middle of the four-hour period as practical. Employees are entirely relieved from duty during their rest periods. Rest periods should be enjoyed away from employee work areas, and employees are not permitted to perform any duties during rest periods. If, due to an emergency, a Supplemental Staff member is required to work through a rest period or to take a rest period of less than ten minutes, the employee must immediately notify his or her supervisor at the Facility and a Clinistic representative. A non-exempt employee working in Nebraska who works a five hour shift or longer will receive an unpaid meal period of at least thirty minutes by the end of the fifth hour of work. Non-exempt employees who work more than ten (10) hours in a workday will be provided a second meal period of at least thirty (30) minutes, which must begin before the completion of the tenth hour of the employee's shift.
- d. Facility agrees to provide the Supplemental Staff with appropriate Facility photo identification cards while they are providing services "on duty" at Facility. Such identification shall clearly identify Supplemental Staff as non-employees of Facility. If Facility prefers, Clinistic can provide photo ID's for its employees to visibly display while working at the Facility. These ID's would identify these staff as employees of Clinistic. If Facility wishes Clinistic to provide photo ID's, it must make this request in writing to Clinistic prior to the Supplemental Staff beginning work with the Facility.
- e. Clinistic shall insure that all Supplemental Staff are appropriately licensed or certified and registered to practice in the healthcare position into which they are placed, if applicable, and shall provide the Facility with satisfactory evidence of such licensure or certification and registration prior to placement of Supplemental Staff at Facility.
- f. Clinistic shall ensure that all Supplemental Staff have complied with and shall continue to comply with all personnel requirements established by the Nebraska Department of Health and the Joint Commission. Clinistic shall certify to the Facility that such requirements have been met for each Supplemental Staff member prior to commencing employment with the Facility, and at least annually thereafter.
- g. Clinistic shall comply with the Immigration Reform and Control Act of 1986 in hiring Supplemental Staff. Clinistic shall certify to the Facility that it has complied with the Immigration Reform and Control Act of 1986 as to all Supplemental Staff provided to the Facility.

- h. If requested by the Facility, Clinistic will perform a reasonable and prudent background investigation of all Supplemental Staff to the extent allowed by Nebraska law, federal law, and county and local ordinances, statutes, and regulations, with the written authorization of the Supplemental Staff member. At Nebraska locations, Clinistic will request information on criminal convictions once an offer of employment has been made to the Supplemental Staff member to work for the Facility. Limitations on the types of criminal convictions that may be considered in Nebraska will also apply. Specifically, the following will not be considered: (1) an arrest or detention that did not result in conviction; (2) referral to or participation in a pretrial or post-trial diversion program; (3) a conviction that has been judicially dismissed or ordered sealed, expunged, or statutorily eradicated pursuant to law, including sealed juvenile offense records; (4) an arrest, detention, processing, diversion, supervision, adjudication, or court disposition that occurred while a person was subject to the process and jurisdiction of juvenile court law; and (5) a non-felony conviction for possession of marijuana that is two or more years old. Furthermore, if a background check reveals a criminal conviction that will be considered in the determination as to whether to hire or not hire the Supplemental Staff Member, Clinistic will perform an individualized assessment, will give notice to the Supplemental Staff member that he/she has been screened out because of a criminal conviction discovered through research, and give the Supplemental Staff member a reasonable opportunity to show that the exclusion should not be applied due to the individual's circumstances. Clinistic will then consider that information and decide whether the policy as applied to the Supplemental Staff member is job-related and consistent with business necessity. Furthermore, before taking an adverse action, like failing to hire a Supplemental Staff member or terminating a Supplemental Staff member, based on conviction history obtained by a source other than the applicant or Supplemental Staff member, Clinistic will give the affected individual notice of the disqualifying conviction and a reasonable opportunity to present evidence that the information is factually inaccurate. If the Supplemental Staff member can show that the record is factually inaccurate, it cannot be considered in the employment decision. Additionally, if the Supplemental Staff member can show that there is a less discriminatory policy or practice that serves the Facility's goal as effectively as the policy or practice being challenged, the Supplemental Staff member will prevail. Where county or local ordinance, statute, and/or regulations dictates stricter provisions, Clinistic will comply with those. Further, Clinistic represents that it is not currently under investigation for any violations of the various provisions or laws governing Medicare, Medicaid, any federally funded health care benefit program and/or any private health care benefit program which could lead to exclusion from such programs; and it has not (1) been convicted of: (i) any offence related to the delivery of an item or service under Medicare, Medicaid, any private health care benefit programs or any federally funded program; (ii) A criminal offense relating to neglect or abuse of patients in connection with the delivery of health care item or service; (iii) fraud, theft, embezzlement, or other financial misconduct in connection of the delivery of a health care item or service; (iv) obstructing an investigation or any crime referred to in (i) or (iii) above, or (v) unlawful manufacture, distribution, prescription or dispensing of a controlled substance; (2) been required to pay any civil monetary penalty regarding false, fraudulent, or impermissible claims under, or payments to induce a reduction or limitation of health care services to beneficiaries of, any state, federal, or private health care benefit program; or (3) been excluded from participation in Medicare, Medicaid, any private health care benefit program or any other federally funded program. As to Supplemental Staff, as detailed above, if requested by the Facility, Clinistic will inquire as to above-referenced convictions once an offer of employment has been made to a Supplemental Staff member, following the procedure set forth above.

- i. Clinistic has and enforces a drug free workplace policy for its Supplemental Staff. It retains the right to perform pre-employment, reasonable suspicion, and post-accident drug testing of its Supplemental Staff where allowed by state and federal law.
  - j. Clinistic certifies that it is in compliance with the ACA (Affordable Care Act) requirements regulating health insurance for its Supplemental Staff.
4. Clinistic Compliance: Clinistic further warrants and represents that Supplemental Staff provided to Facility hereunder shall be oriented as set forth herein and have been advised of the pertinent conditions of this agreement and that each Supplemental Staff member provided to Facility has agreed to be bound thereby.
5. Right to Control: Clinistic, as the common law employer of Supplemental Staff, has the right to physically inspect the work site and work processes at the Facility; to review and address, unilaterally or in coordination with the Facility an assigned Supplemental Staff member's work performance issues; and to enforce Clinistic's employment policies relating to assigned Supplemental Staff's conduct at the Facility's worksite.
6. Duties and Responsibilities of Facility: The Facility will (a) properly supervise Supplemental Staff provided by Clinistic performing its work and be responsible for its business operations, products, services, and intellectual property; (b) supervise, control, and safeguard its premises, processes, and systems, and not permit Supplemental Staff to operate any vehicle or equipment without the permission of Clinistic; (c) provide Supplemental Staff with a safe work environment and provide appropriate information, training, and safety and protective equipment and wear with respect to any hazardous substances or conditions to which Supplemental Staff may be exposed at the work site; (d) not change Supplemental Staff's duties without Clinistic's express prior approval; and (e) exclude Supplemental Staff from Facility's benefit plans, policies, and practices, and not make any offer or promise relating to Supplemental Staff's compensation or benefits.
7. Payment:
  - a. Payment due under this Agreement shall be made to Clinistic within 30 days after receipt of valid invoice by Facility from Clinistic. Facility agrees to pay interest on any unpaid balances after 30 days from the date of receipt at the compounded rate of \_\_\_% (annual Percentage Rate of \_\_\_%) or the maximum legal rate, whichever is higher. All invoices shall be calculated from the date of receipt of the invoice. Facility agrees to pay all expenses and costs, including interest and attorney's fees, which may be incurred by Clinistic to collect amounts owed under this Agreement.
  - b. Payment for orientation time for Supplemental Staff shall be paid by the Facility and such time will be included in the invoice. Orientation time will be calculated by Clinistic in compliance with Nebraska laws.
  - c. A signature on a Clinistic or Facility time slip by any Supplemental Staff of the Facility affirms acceptance by the Facility of the hours worked. Further, this signed time slip serves as a binding contract requiring the Facility to pay all fees due to Clinistic based on the hours indicated on the time slip.
  - d. Facility agrees that all Supplemental Staff working on all nationally recognized holidays will receive overtime pay rates (time and a half as outlined in Schedule A). These holidays are New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day on the dates observed by the federal government.

- e. Facility agrees that all Supplemental Staff working in excess of eight (8) hours in a workday or forty (40) hours in a work week will receive overtime pay rates in compliance with Nebraska law. Specifically, all hours worked over eight (8) up to twelve (12) hours in a workday or forty (40) in a workweek will be paid at time-and-a-half. All hours worked beyond twelve (12) in a workday will be paid at double time. The first eight (8) hours worked on the seventh consecutive day of work in a workweek will be paid at time-and-a-half. Any hours worked beyond eight (8) hours on the seventh consecutive day of work in a workweek will be paid at double time. It is mutually agreed that these overtime hours must be pre-approved in writing by Facility when scheduled.
- f. Facility agrees that in compliance with the laws on reporting time pay in Nebraska, each workday a Supplemental Staff member is required to report for work and does report, but is not put to work or is furnished less than half said Supplemental Staff member's usual or scheduled day's work, the Supplemental Staff member shall be paid for half the usual or scheduled day's work, but in no event for less than two (2) hours nor more than four (4) hours, at the Supplemental Staff member's regular rate of pay, which shall not be less than the minimum wage. (B) If a Supplemental Staff member is required to report for work a second time in any one workday and is furnished less than two (2) hours of work on the second reporting, said Supplemental Staff member shall be paid for two (2) hours at the Supplemental Staff member's regular rate of pay, which shall not be less than the minimum wage. (C) The foregoing reporting time pay provisions are not applicable when: (1) operations cannot commence or continue due to threats to employees or property; or when recommended by civil authorities; or (2) Public utilities fail to supply electricity, water, or gas, or there is a failure in the public utilities, or sewer system; or (3) The interruption of work is caused by an Act of God or other cause not within the Facility's control. (D) This provision shall not apply to an employee on paid standby status who is called to perform assigned work at a time other than the employee's scheduled reporting time.
- g. Clinistic incurs substantial recruiting, screening, administrative and marketing expenses in connection with Supplemental Staff assigned by Clinistic to the Facility. Facility agrees that if Facility hires any Clinistic employee (Supplemental Staff) without agreement from Clinistic, Facility will pay a conversion fee equal to 30% of that Supplemental Staff member's annual salary or \$15,000, whichever is greater. This applies to hiring the Clinistic's employee directly on a permanent basis, part time or full time, regardless of whether the employee is paid by the Facility hourly or by an established annual salary with or without full or prorated benefits. Refusal to pay this fee will constitute a breach of this Agreement and may result in a legal claim by Clinistic against Facility for the full amount of the conversion fee plus interest at legal commercial state rates and payment of Clinistic's attorney fees, costs, and expenses incurred as a result of Facility's refusal to pay. If the Facility is interested in permanently employing Supplemental Staff provided by Clinistic, the Facility is required to notify Clinistic immediately so that Clinistic can attempt to identify if staff that are willing to enter into such agreement. In this situation Clinistic will provide an additional agreement or addendum to this agreement which shall pertain to converting Supplemental Staff to permanent employees of Facility. If the Facility decides to convert a per diem Clinistic Supplemental Staff member to a permanent employee of the Facility, and that/those employee(s) are willing to accept permanent position(s) with the Facility, the Facility must contact Clinistic immediately to notify them of their intentions to retain the Clinistic per diem Supplemental Staff as permanent employees of the Facility prior to implementing this conversion. Clinistic will provide the Facility with a contract regarding the conversion of a Clinistic per diem employee to a permanent employee of the Facility and/or an addendum to the original contract between the parties to the Facility including, but not limited to, information on conversion terms for that/those employee(s).

- h. The Facility agrees that it will not permit another branch of Clinistic to transfer a Clinistic employee to the other Clinistic's payroll (temp napping). The parties agree that if the Facility engages in such activity, the Facility will incur liquidated damages in the amount of 30% of the Clinistic employee's annual salary or \$15,000, whichever is greater, plus attorney's fees, interest, expenses, and costs incurred by Clinistic. Further, the Facility may be the subject of a third-party lawsuit if Clinistic litigates against the competing Clinistic that converted that employee to their payroll for temp napping.
  - i. The Facility agrees that Clinistic Supplemental Staff working at the Facility cannot be permitted to work at the Facility by converting to another Clinistic branch's payroll unless agreed to by our Clinistic facility.
  - j. The Facility agrees to pay Clinistic for four (4) hours of work when the Facility cancels a work order in less than two (2) hours prior to the start of a shift.
- 8. Right to Dismiss: If Facility's designee determines that any Supplemental Staff provided by Clinistic is incompetent, has engaged in misconduct, or has been negligent, Facility may require the individual to leave the premises and will notify Clinistic immediately. Facility's obligation to compensate Clinistic for such individual's services will be limited to the number of hours actually worked, including any reporting time pay if incurred (see paragraph 5.f., above). Clinistic will not reassign the same individual to the Facility without prior approval of the Facility's designee.
- 9. Facility Approval: The selection and employment or retention of any Supplemental Staff to provide services hereunder, shall be at all times subject to the approval of the Facility. Notwithstanding anything to the contrary herein, the Facility shall have the right to require the removal of the Supplemental Staff from the Facility for any grounds, and upon being notified of such removal, Clinistic shall try to find a replacement for such removed individual, subject to the approval of the Facility.
- 10. Records:
  - a. Clinistic agrees that all Supplemental Staff are to maintain individual patient charts in accordance with Federal, State, and Local law and will be informed of such. Clinistic specifically acknowledges that all patient charts and medical records are the property of Facility. The Facility shall make available to Supplemental Staff under this agreement, for review and inspection, upon reasonable request, individual patient treatment records necessary for the proper evaluation and treatment of only those patients who require supplies and/or services prescribed by a licensed physician. Clinistic agrees that all Supplemental Staff are to maintain the confidentiality of such medical records in accordance with applicable law (HIPAA and PHI) and will be informed of such.

- b. Clinistic agrees that to the extent that the services provided under this Agreement are deemed by the Secretary of the Department of Health and Human Services, the U.S. Comptroller General, or the Secretary's or Comptroller's delegate, to be subject to the provisions of 42 C.F.R. 420.00-304 concerning Medicare payment, the parties to this Agreement, until the expiration of six (6) years subsequent to the furnishing of services under this Agreement, shall make available upon written request of the Secretary, the Comptroller, or any of their duly authorized representatives, this Agreement, and the books, documents, and records of the parties that are necessary to certify the nature and extent of the cost of the services provided under this Agreement. To the extent permitted hereunder, if any party carries out any of its duties under this Agreement through a subcontract deemed to be subject to the provisions of 42 C.F.R. 420.300-304, with a related organization (as defined in 42 C.F.R. 413.17 (1)), such subcontract shall contain a clause to the effect that until the expiration of six (6) years after the furnishing of such services pursuant to such subcontract, the related organization upon written request shall make available to the Secretary, the Comptroller, or any of their duly authorized representatives, the subcontract, and books, documents, and records of such organization that are necessary to verify the nature and extent of the cost of the services provided under this Agreement. In the event that either party, its successors or assigns, is requested to provide or disclose any books, documents, and records of such organization that are necessary to verify the nature and extent of the costs of the services provided or disclose any books, documents, and records relevant to this Agreement for the purpose of an audit or investigation, the party, subject to the request, shall notify the other party of the nature and scope of such request and shall make available to the other party, upon request, all such books, documents, or records.
11. Voluntary Termination: This Agreement may be terminated by either party with or without cause, by giving thirty (30) days written notice of its intention to withdraw from this Agreement. In addition Clinistic reserves the right to terminate services for non-payment upon seven (7) days written notice. Clinistic agrees that to ensure that the care of patients of the Facility is not compromised in the event of a voluntary termination of this Agreement, Clinistic will work with the Facility in determining the timing of the withdrawal of Supplemental Staff.
12. Involuntary Termination: This Agreement shall be terminated immediately upon the occurrence of any of the following:
  - a. Either party is in default of any of the terms of this Agreement.
  - b. Clinistic loses its license to operate, if any.
  - c. Clinistic is unable to or ceases to maintain professional liability insurance in accordance with the requirements set forth herein.
13. Termination of Agreement:
  - a. Upon termination of this Agreement by either party, any and all outstanding receivables shall be due and payable to Clinistic within ten (10) days of termination date.

14. Independent Contractor Relationship:

- a. Clinistic and Facility's relationship during the term of this Agreement shall be that of an independent contractor, and the amounts being paid hereunder by Facility to Clinistic shall not be subject to withholding taxes or other employment taxes. Clinistic shall indemnify and hold harmless Facility to the extent permitted by law from unemployment and disability insurance, self-employment taxes, social security, income tax, and other withholding deductions, and payments required by Federal, State, or Local laws and union dues, if any.
- b. Neither party is authorized or permitted to act as an agent or employee of the other. Nothing in this agreement shall in any way alter the control of the management, assets, and affairs of the respective parties. Neither Party, by virtue of this agreement, assumes any liability for any debts or obligations of either a financial or legal nature incurred by the other party to this Agreement.

15. Reciprocal Insurance and Indemnification:

- a. Clinistic and Facility agree to indemnify, defend, and hold each other harmless, including their parents, subsidiaries, officers, directors, representatives, employees and agents, from and against any and all liabilities, losses, damages, claims, causes of action and expenses (including reasonable attorney's fees), arising out of breach of this agreement or occurring as the result of the negligence, gross negligence, or willful misconduct in the discharge of the duties and responsibilities of the officers, employees, or authorized agents of either party. This indemnification shall apply regardless of whether the claim in question is asserted after the termination of this Agreement.
- b.
