DEICING PRODUCTS

Balancing nature and the environment with **ONE** solution.

August 6, 2020

Solicitation Number: 6327 OF

Sodium Chloride Brine Product Category A3

Harmoney Deicing Products, Inc. will be entering a **NO BID**, for this solicitation. Our Headwaters Hot Salt Brine Enhancer has completed testing by an independent laboratory and the results have been submitted to Clear Roads for QPL Category A3. Clear Roads approval of Headwaters Hot Salt Brine Enhancer will not be available by the time of this bid opening.

Once Headwaters Hot is QPL approved we would be happy to submit the technical data for review along with assisting with field testing of our product by the Nebraska Department of Transportation.

Thank you,
