Re: *ITB 6444 OF, Armor Coat Gravel, Deicing Gravel, Windrow Gravel and Surfacing Gravel
Protest of Award*

Mr. Vogel and Mr. Mitchell:

We are in receipt of your letter dated March 10, 2021, protesting the Intent to Award posted in connection with the above-captioned ITB. In such letter you contend that your bid was offered an alternative to end dump trucks only, and as such your bid was not considered.

In seeking clarification as to whether or not this alternative was considered, it has been determined that the locations of District 8 are able to accept side dump trailers. As such, the bid tabulation and the Intent to Award has been amended and has been posted to our website.

We thank you for bringing this matter to our attention and for your interesting in doing business with the State of Nebraska.

Sincerely,

Doug Carlson, Materiel Administrator and Deputy Director
Department of Administrative Services
