Following are the questions submitted and answers provided for the above-mentioned Invitation to Bid. The questions and answers are to be considered as part of the Invitation to Bid. It is the Bidder's responsibility to check the SPB website for all Addenda or Amendments.

<u>Question Number</u>	<u>ITB Section Reference</u>	<u>ITB Page Number</u>	<u>Question</u>	<u>State Response</u>
1	Section J, Page 19		When does proof of the required insurance need to be submitted? Is it at the placement of the bid or at the time of award?	The bidder should provide a Certificate of Insurance with their bid. The COI is required prior to the award of a contract.
2	Section V, Page 27		As a point of clarification, do we need to submit a spec sheet for each machine included in the bid?	A spec sheet is not necessary for each machine in the bid.
3	Attachment A		We would like to bid equipment that does not quite match the requested bids. For example, a manufacturer makes a 3 row and 5 row cold food machine. How would you like these to be included in the bid or do we need to leave them off?	Please include any and/or all machines you would like to offer. Attachment A has been revised to allow space at the bottom for bidders to add equipment they want to bid. Or, an additional sheet can be attached to your bid submittal.
4	Attachment A		Cold food machines are typically made in both a 5 and 6 shelf arrangement. Should these be bid separately?	Please see answer to #3.

5	Attachment A		Are prices quoted assumed to be including a coin mechanism and bill validator? While the invitation mentions cashless as an additional cost option we can not find any mention of coin mechanisms or bill validators.	Yes
