<u>Question Number</u>	<u>ITB Section Reference</u>	<u>ITB Page Number</u>	<u>Question</u>	<u>State Response</u>
1.			I read the state's response to my question how ever I was looking for the historical bid recap. What the winning award was the last time the bid took place.	The last time we went out for bid was July of 2013 requesting a 3 year contract. Midwest Label and Decals won that bid. *See Table 1.1*
2			I know it's after the question-and-answer period, but the unit of measure on bid #6568 OF (Nebraska IFTA Decals) is ST. Please let me know if you can what unit of measure that is, we are not familiar with ST. Typically we would quote in thousands for the most part.	ST stands for "sets" as we are ordering 62,000 sets of decals. Each decal comes in a set of two, one for each side of the truck's cab.
