2. Revision of Section I Procurement Procedure

The following articles are hereby added to Section I

Z. PRE-BID CONFERENCE

A pre-proposal conference will be held per the Schedule of Events. Attendance at the pre-proposal conference is mandatory in order to submit a bid. Vendors will have an opportunity to ask questions at the conference to assist in the clarification and understanding of the solicitation requirements. Questions that have a material impact on the solicitation or solicitation process, and relevant to all Vendors will be answered in writing and posted at <http://das.nebraska.gov/materiel/purchasing.html>. An answer must be posted to be binding on the State. The State will attempt to provide verbal answers to questions that do not impact the ITB or process, and are only of interest to an individual contractor during the conference. If a Vendor feels it necessary to have a binding answer to a question that was answered verbally, the question should be submitted in writing per the Schedule of Events.

AA. NOTICE OF INTENT TO ATTEND MANDATORY PRE-BID CONFERENCE

Vendors should notify SPB of their intent to attend by submitting a "Notification of Intent to Attend the Pre-Bid Conference Form" (see Form B) by email at as.materielpurchasing@nebraska.gov

This Addendum will become part of the proposal and should be acknowledged with the ITB.
