BIDDER'S NAME: _____

The State of Nebraska (State), Department of Administrative Services (DAS), Materiel Division, State Purchasing Bureau (SPB), is issuing this solicitation for a Commodity contract, for the purpose of selecting qualified Vendor(s) to provide **2022 Or Current Production Year Intermediate Four (4) Door Sedans**:

NOTE: BECAUSE GENERAL MOTORS, FIAT CHRYSLER, AND FORD MOTOR COMPANY HAD NOT RELEASED THEIR COMPLETE LINE OF MINIMUM SPECIFICATIONS AT THE TIME THESE SPECIFICATIONS WERE DEFINED; THE MINIMUM SPECIFICATIONS ARE BASED OFF THE MANUFACTURER'S 2021 SPECIFICATIONS.

A more detailed description can be found in the corresponding ITB. The resulting contract may not be an exclusive contract as the State reserves the right to contract for the same or similar goods from other sources now or in the future.

The term of the contract to supply and deliver **2022 or Current Production Year Intermediate Four (4) Door Sedans** to the State of Nebraska as per the attached specifications for a one (1) year period from date of award. The contract may be renewed for one (1) additional one (1) year period when mutually agreeable to the vendor and the State of Nebraska.

*****PLEASE ENSURE THE BIDDER'S NAME AND ITB NUMBER IS ENTERED IN THE HEADER SECTION OF EVERY PAGE OF THIS DOCUMENT*****

INFORMATION PERTINENT TO THIS SOLICITATION CAN BE FOUND ON THE INTERNET AT:

<http://das.nebraska.gov/materiel/purchasing.html>

IMPORTANT NOTICE: Pursuant to Neb. Rev. Stat. § 84-602.04, State contracts in effect as of January 1, 2014, and contracts entered into thereafter, must be posted to a public website. The resulting contract, the solicitation, and the awarded bidder's bid or response will be posted to a public website managed by DAS, which can be found at <http://statecontracts.nebraska.gov>.

In addition and in furtherance of the State's public records Statute (Neb. Rev. Stat. § 84-712 et seq.), all bids or responses received regarding this solicitation will be posted to the SPB public website.

These postings will include the entire bid. Bidder(s) must request that proprietary information be excluded from the posting. The bidder must identify the proprietary information, mark the proprietary information according to state law, and submit the proprietary information in a separate container or envelope marked conspicuously, must be manually signed in an indelible manner, or by DocuSign, with the words "**PROPRIETARY INFORMATION**", or if submitting the bid electronically, as a separate electronic file that is titled "**PROPRIETARY INFORMATION**". The bidder must submit a detailed written document showing that the release of the proprietary information would give a business advantage to named business competitor(s) and explain how the named business competitor(s) will gain an actual business advantage by disclosure of information. The mere assertion that information is proprietary or that a speculative business advantage might be gained is not sufficient (See Attorney General Opinion No. 92068, April 27, 1992). **THE BIDDER MAY NOT ASSERT THAT THE ENTIRE BID IS PROPRIETARY. BIDS WILL NOT BE CONSIDERED PROPRIETARY AND ARE A PUBLIC RECORD IN THE STATE OF NEBRASKA.** The State will determine, in its sole discretion, if the disclosure of the information designated by the Bidder as proprietary would 1) give advantage to business competitors and 2) serve no public purpose. The Bidder will be notified of the State's decision. Absent a determination by the State that the information may be withheld pursuant to **Neb. Rev. Stat. § 84-712.05**, the State will consider all information a public record subject to disclosure. If the agency determines it is required to release proprietary information, the bidder will be informed. It will be the bidder's responsibility to defend the bidder's asserted interest in non-disclosure.

To facilitate such public postings, with the exception of proprietary information, the State of Nebraska reserves a royalty-free, nonexclusive, and irrevocable right to copy, reproduce, publish, post to a website, or otherwise use any contract, or bid for this solicitation for any purpose, and to authorize others to use the documents. Any individual or entity awarded a contract or who submits a bid for this solicitation, specifically waives any copyright or other protection the contract or bid for the solicitation may have; and, acknowledges that they have the ability and authority to enter into such waiver. This reservation and waiver is a prerequisite for submitting a bid for this solicitation, and award of a contract. Failure to agree to the reservation and waiver will result in the bid being found nonresponsive and rejected.

Any entity awarded a contract or submitting a bid for the solicitation agrees not to sue, file a claim, or make a demand of any kind, and will indemnify and hold harmless the State and its employees, volunteers, agents, and its elected and appointed officials from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses, sustained or asserted against the State, arising out of, resulting from, or attributable to the posting of the contract or bids for the solicitation, awards, and other documents.
