JUSTIFICATION AND COMMENTS

The Transportation Services Bureau (TSB) seeks Materiel Division's determination and approval that bids may be accepted from fewer than three (3) bidders due to the special nature of the personal property, to allow the TSB to enter into a contract to purchase 2022 or Current Production Year Intermediate Four (4) Door Sedans from Baxter CJDR of Lincoln in the amount of \$29,396.00 each. Invitations to Bid were sent to 39 vendors and posted to the website. State Purchasing Bureau received two (2) bids and Zero (0) no bids.

Per email from Mike Moerer with TSB:

Currently Dodge is the only Manufacturer producing an Intermediate Sedan. Last year we did not receive a single bid for the Subcompact Sedan and only received two (2) bids for the Compact and two (2) for the Intermediate. Unfortunately, this is a result of the Manufactures dropping the car lines in favor of producing crossovers. I do not feel revising the specifications will produce more bids.

The State Purchasing Bureau takes responsibility for this procurement process.
