### JUSTIFICATION AND COMMENTS

The Nebraska Game and Parks Commission (NGPC) seeks the determination and approval of the DAS Materiel Division, SPB that bids may be accepted from fewer than three (3) bidders due to the special nature of the personal property and to allow the NGPC to enter into a contract for **FISH FEED** from **Skretting USA** for a **One (1) year period with the option to renew for Four (4) additional One (1) periods, an estimated amount of \$860,827.25 for the entire contract, including all renewal periods.** ITB Solicitations were sent to 14 Vendors and posted to the DAS SPB website. SPB received One (1) bid and Zero (0) no bids.

Per NGPC "The specifications as written in ITB 6587 OF are designed and written to achieve competition. These specifications cannot be broadened or expanded without damaging the authenticity of the specifications for the services. The specifications are broad enough that vendors who have the capability to provide these services would be able to do so per the specifications."

The SPB takes responsibility for this procurement process.
