Date: October 29th, 2021

To: All Bidders

From: Robert Taylor, Buyer  
AS Materiel State Purchasing Bureau

RE: Addendum for Invitation to Bid 6600 OF to be opened November 12th, 2021 at 2:00 P.M.  
Central Time

### ITB

Following are the changes made to the above mentioned ITB. The changes are to be considered as part of the Invitation to Bid. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

<u>Question Number</u>	<u>ITB Section Reference</u>	<u>ITB Page Number</u>	<u>Change</u>	<u>State Response</u>
1	I	28	Does the aerial lift need to be insulated? If so, what is minimum required insulation rating?	The two Models listed in specification are insulated models, Category C and or D Rated.
2	J	28/29	Do you want installer to include an auxiliary battery for the inverter? If so, where would you like it placed?	No auxiliary battery needed
3	V	21	Bid calls for 'Extended Cab' however aerial device with outriggers in front of body requires 108" CA which is only available with Reg Cab. Will reg cab be acceptable?	Extended cab required, See section D. Suspension & Running Gear Line 1.
4	L	29	Where should the Viper G70 compressor be installed?	Air compressor to be mounted on top and plumbed to rear compartment. See section H. Utility Box 9. a. line v.

This addendum will become part of the ITB and should be acknowledged with the Invitation to Bid
