The State of Nebraska (State), Department of Administrative Services (DAS), Materiel Division, State Purchasing Bureau (SPB), is issuing this Request for Proposal (RFP) Number 6617 Z1 for the purpose of selecting a qualified bidder to provide Digital Asset Depository professional services. A more detailed description can be found in Section V. The resulting contract may not be an exclusive contract as the State reserves the right to contract for the same or similar services from other sources now or in the future.

The term of the contract will be five (5) months - commencing upon execution of the contract by the State and the Contractor. The Contract includes the option to renew for three (3) additional one (1) year periods upon mutual agreement of the Parties. The State reserves the right to extend the period of this contract beyond the termination date when mutually agreeable to the Parties.

ALL INFORMATION PERTINENT TO THIS REQUEST FOR PROPOSAL CAN BE FOUND ON THE INTERNET AT:  
<http://das.nebraska.gov/materiel/purchasing.html>.

**IMPORTANT NOTICE:** Pursuant to Neb. Rev. Stat. § 84-602.04, State contracts in effect as of January 1, 2014, and contracts entered into thereafter, must be posted to a public website. The resulting contract, the solicitation, and the successful awarded bidder's proposal and response will be posted to a public website managed by DAS, which can be found at <http://statecontracts.nebraska.gov> And [https://www.nebraska.gov/das/materiel/purchasing/contract\\_search/index.php](https://www.nebraska.gov/das/materiel/purchasing/contract_search/index.php).

In addition and in furtherance of the State's public records Statute (Neb. Rev. Stat. § 84-712 et seq.), all proposals or responses received regarding this solicitation will be posted to the State Purchasing Bureau public website.

These postings will include the entire proposal or response. Bidder must request that proprietary information be excluded from the posting. The bidder must identify the proprietary information, mark the proprietary information according to state law, and submit the proprietary information in a separate container or envelope marked conspicuously using an indelible method with the words "PROPRIETARY INFORMATION". The bidder should submit a detailed written document showing that the release of the proprietary information would give a business advantage to named business competitor(s) and explain how the named business competitor(s) will gain an actual business advantage by disclosure of information. The mere assertion that information is proprietary or that a speculative business advantage might be gained is not sufficient. (See Attorney General Opinion No. 92068, April 27, 1992) THE BIDDER MAY NOT ASSERT THAT THE ENTIRE PROPOSAL IS PROPRIETARY. COST PROPOSALS WILL NOT BE CONSIDERED PROPRIETARY AND ARE A PUBLIC RECORD IN THE STATE OF NEBRASKA. The State will determine, in its sole discretion, if the disclosure of the information designated by the Bidder as proprietary would 1) give advantage to business competitors and 2) serve no public purpose. The Bidder will be notified of the State's decision. Absent a determination by the State that the information may be withheld pursuant to Neb. Rev. Stat. § 84-712.05, the State will consider all information a public record subject to disclosure.

If the State determines it is required to release proprietary information, the bidder will be informed. It will be the bidder's responsibility to defend the bidder's asserted interest in non-disclosure.

To facilitate such public postings, with the exception of proprietary information, the State of Nebraska reserves a royalty-free, nonexclusive, and irrevocable right to copy, reproduce, publish, post to a website, or otherwise use any contract, proposal, or response to this solicitation for any purpose, and to authorize others to use the documents. Any individual or entity awarded a contract, or who submits a proposal or response to this solicitation, specifically waives any copyright or other protection the contract, proposal, or response to the solicitation may have; and, acknowledges that they have the ability and authority to enter into such waiver. This reservation and waiver is a prerequisite for submitting a proposal or response to this solicitation, and award of a contract. Failure to agree to the reservation and waiver will result in the proposal or response to the solicitation being found non-responsive and rejected.

Any entity awarded a contract or submitting a proposal or response to the solicitation agrees not to sue, file a claim, or make a demand of any kind, and will indemnify and hold harmless the State and its employees, volunteers, agents, and its elected and appointed officials from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses, sustained or asserted against the State, arising out of, resulting from, or attributable to the posting of the contract or the proposals and responses to the solicitation, awards, and other documents.

**G. DEVIATIONS FROM THE REQUEST FOR PROPOSAL**

The requirements contained in the solicitation (Sections II thru VI) become a part of the terms and conditions of the contract resulting from this solicitation. Any deviations from the solicitation in Sections II through VI must be clearly defined by the bidder in its proposal and, if accepted by the State, will become part of the contract. Any specifically defined deviations must not be in conflict with the basic nature of the solicitation, requirements, or applicable state or federal laws or statutes. "Deviation", for the purposes of this solicitation, means any proposed changes or alterations to either the contractual language or deliverables within the scope of this solicitation. The State discourages deviations and reserves the right to reject proposed deviations.

**H. DISCOUNTS**

Prices quoted shall be inclusive of ALL trade discounts. Cash discount terms of less than thirty (30) days will not be considered as part of the proposal. Cash discount periods will be computed from the date of receipt of a properly executed claim voucher or the date of completion of delivery of all items in a satisfactory condition, whichever is later.

**I. PRICES**

Prices quoted shall be net, including transportation and delivery charges fully prepaid by the contractor, F.O.B. destination named in the solicitation. No additional charges will be allowed for packing, packages, or partial delivery costs. When an arithmetic error has been made in the extended total, the unit price will govern.

All prices, costs, and terms and conditions submitted in the proposal shall remain fixed and valid commencing on the opening date of the proposal until the contract terminates or expires.

**The State reserves the right to deny any requested price increase. No price increases are to be billed to any State Agencies prior to written amendment of the contract by the parties.**

**The State will be given full proportionate benefit of any decreases for the term of the contract.**

**J. COST CLARIFICATION**

The State reserves the right to review all aspects of cost for reasonableness and to request clarification of any proposal where the cost component shows significant and unsupported deviation from industry standards or in areas where detailed pricing is required.

**K. SUBMISSION OF PROPOSALS**

The State is accepting only electronically submitted responses. The State will not accept proposals by email, voice, or telephone.

Pages may be consecutively numbered for the entire proposal or may be numbered consecutively within sections. Figures and tables should be numbered and referenced in the text by that number. They should be placed as close as possible to the referencing text. The Technical Proposal should not contain any reference to dollar amounts. However, information such as data concerning labor hours and categories, materials, subcontracts and so forth, shall be considered in the Technical Proposal so that the bidder's understanding of the scope of work may be evaluated. The Technical Proposal shall disclose the bidder's technical approach in as much detail as possible, including, but not limited to, the information required by the Technical Proposal instructions.

It is the bidder's responsibility to ensure the RFP is received electronically by the date and time indicated in the Schedule of Events. Proposals must be submitted via ShareFile by the date and time of the proposal opening per the Schedule of Events. No late proposals will be accepted.

It is the responsibility of the bidder to check the website for all information relevant to this RFP to include addenda and/or amendments issued prior to the opening date. Website address is as follows:  
<http://das.nebraska.gov/materiel/purchasing.html>.

Emphasis should be concentrated on conformance to the RFP instructions, responsiveness to requirements, completeness, and clarity of content. If the bidder's proposal is presented in such a fashion that makes evaluation difficult or overly time consuming the State reserves the right to reject the proposal as non-conforming.

**1. Bidders must submit responses via ShareFile using the proposal submission link.**

Note to bidders: Not all browsers are compatible with ShareFile. Currently Chrome, Internet Explorer and Firefox are compatible. After the bidder clicks the proposal submission link, the bidder will be prompted to enter contact information including an e-mail address. By entering an e-mail address, the bidder should receive a confirmation email confirming the successful upload directly from ShareFile.

Proposal submission link: <https://nebraska.sharefile.com/r-rdb6d87346bf24650b72b0ae523b97d68>

  - i. If duplicated proposals are submitted, the State will retain only the most recently submitted response.
  - ii. If it is the bidder's intent to submit multiple proposals, the bidder must clearly identify the separate submissions.
  - iii. It is the bidder's responsibility to allow time for electronic uploading. All file uploads must be completed by the Opening date and time per the Schedule of Events. No late proposals will be accepted.
- b. **ELECTRONIC PROPOSAL FILE NAMES**

The bidder should clearly identify the uploaded RFP proposal files. To assist in identification the bidder should use the following naming convention:

  - i. RFP 6617 Z1, Company Name, Description of Service
  - ii. If multiple files are submitted for one RFP proposal, add number of files to file names:
    - a) RFP 6617 Z1 Company Name, Description of Service, File 1 of 2.
    - b) RFP 6617 Z1 Company Name, Description of Service, File 2 of 2.
  - iii. If multiple RFP proposals are submitted for the same RFP, add the proposal number to the file names:
    - a) RFP 6617 Z1 Company Name , Description of Service, Proposal 1 File 1 of 2.

The Request for Proposal form must be signed manually in ink or by DocuSign and returned by the proposal opening date and time along with the bidder's Request for Proposal and any other requirements as stated in the Request for Proposal document in order for the bidder's Request for Proposal response to be evaluated.

By signing the "Request for Proposal for Contractual Services" form, the bidder guarantees compliance with the provisions stated in this solicitation.

**L. PROPOSAL PREPARATION COSTS**

The State shall not incur any liability for any costs incurred by bidders in replying to this solicitation, including any activity related to bidding on this solicitation.

**M. FAILURE TO COMPLY WITH REQUEST FOR PROPOSAL**

Violation of the terms and conditions contained in this solicitation or any resultant contract, at any time before or after the award, shall be grounds for action by the State which may include, but is not limited to, the following:

- 1. Rejection of a bidder's proposal,
- 2. Withdrawal of the Intent to Award,
- 3. Withdrawal of the Award,
- 4. Negative Vendor Performance Report(s),
- 5. Termination of the resulting contract,
- 6. Legal action; and
- 7. Suspension of the bidder from further bidding with the State for the period of time relative to the seriousness of the violation, such period to be within the sole discretion of the State.

**N. PROPOSAL CORRECTIONS**

A bidder may correct a mistake in a proposal prior to the time of opening by uploading a revised and completed proposal if the original proposal was electronically submitted.

- 1. If a corrected electronic proposal is submitted, the file name(s) date/time stamped with latest date/time stamp will be accepted. The corrected proposal file name(s) should be identified as
  - a. Corrected 6617 Z1 Company Name Proposal #1 Description of Service, File 1 of 2,

- b. Corrected 6617 Z1 Company Name Proposal #2 Description of Service, File 2 of 2, etc.

Changing a proposal after opening may be permitted if the change is made to correct a minor error that does not affect price, quantity, quality, delivery, or contractual conditions. In case of a mathematical error in extension of price, unit price shall govern.

**O. LATE PROPOSALS**

Proposals received after the time and date of the proposal opening will be considered late proposals. Late proposals will be returned unopened, if requested by the bidder and at bidder's expense. The State is not responsible for proposals that are late or lost regardless of cause or fault.

**P. PROPOSAL OPENING**

The opening of proposals will be public, and the bidders will be announced. Proposals **WILL NOT** be available for viewing by those present at the proposal opening. Proposals will be posted to the State Purchasing Bureau website once an Intent to Award has been posted to the website. Once proposals are opened, they become the property of the State of Nebraska and will not be returned.

**Q. REQUEST FOR PROPOSAL/PROPOSAL REQUIREMENTS**

The proposals will first be examined to determine if all requirements listed below have been addressed and whether further evaluation is warranted. Proposals not meeting the requirements may be rejected as non-responsive. The requirements are:

1. Original Request for Proposal for Contractual Services form signed manually in ink or by DocuSign,
2. Clarity and responsiveness of the proposal,
3. Completed Corporate Overview,
4. Completed Sections II through VI,
5. Completed Technical Approach; and
6. Completed State Cost Proposal Template.

**R. EVALUATION COMMITTEE**

Proposals are evaluated by members of an Evaluation Committee(s). The Evaluation Committee(s) will consist of individuals selected at the discretion of the State. Names of the members of the Evaluation Committee(s) will not be published prior to the intent to award.

Any contact, attempted contact, or attempt to influence an evaluator that is involved with this solicitation may result in the rejection of this proposal and further administrative actions.

**S. EVALUATION OF PROPOSALS**

All proposals that are responsive to the solicitation will be evaluated. Each evaluation category will have a maximum point potential. The State will conduct a fair, impartial, and comprehensive evaluation of all proposals in accordance with the criteria set forth below. Areas that will be addressed and scored during the evaluation include:

1. Corporate Overview should include but is not limited to:
  - a. the ability, capacity, and skill of the bidder to deliver and implement the system or project that meets the requirements of the solicitation,
  - b. the character, integrity, reputation, judgment, experience, and efficiency of the bidder,
  - c. whether the bidder can perform the contract within the specified time frame,
  - d. the quality of vendor performance on prior contracts,
  - e. such other information that may be secured and that has a bearing on the decision to award the contract,
2. Technical Approach; and,
3. Cost Proposal.

**Neb. Rev. Stat. §81-161 allows the quality of performance of previous contracts to be considered when evaluating responses to competitively bid solicitations in determining the lowest responsible bidder.** Information obtained from any Vendor Performance Report (See Terms & Conditions) may be used in evaluating responses to solicitations for goods and services to determine the best value for the State.

**Neb. Rev. Stat. §73-107 allows for a preference for a resident disabled veteran or business located in a designated enterprise zone.** When a state contract is to be awarded to the lowest responsible bidder, a resident disabled veteran or a business located in a designated enterprise zone under the Enterprise Zone Act shall be allowed a preference over any other resident or nonresident bidder, if all other factors are equal.

**Resident disabled veterans means any person (a) who resides in the State of Nebraska, who served in the United States Armed Forces, including any reserve component or the National Guard, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and**

who possesses a disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense and (b)(i) who owns and controls a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection and (ii) the management and daily business operations of the business are controlled by one or more persons described in subdivision(a) of this subsection. Any contract entered into without compliance with this section shall be null and void.

Therefore, if a resident disabled veteran or business located in a designated enterprise zone submits a proposal in accordance with Neb. Rev. Stat. §73-107 and has so indicated on the solicitation cover page under "Bidder must complete the following" requesting priority/preference to be considered in the award of this contract, the following will need to be submitted by the bidder within ten (10) business days of request:

1. Documentation from the United States Armed Forces confirming service,
2. Documentation of discharge or otherwise separated characterization of honorable or general (under honorable conditions),
3. Disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense; and
4. Documentation which shows ownership and control of a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection; and the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection.

Failure to submit the requested documentation within ten (10) business days of notice will disqualify the bidder from consideration of the preference.

Evaluation criteria weighting will be released with the solicitation.

**T. ORAL INTERVIEWS/PRESENTATIONS AND/OR DEMONSTRATIONS**

The State may determine after the completion of the Technical and Cost Proposal evaluation that oral interviews/presentations and/or demonstrations are required. Every contractor may not be given an opportunity to interview/present and/or give demonstrations; the State reserves the right, in its discretion, to select only the top scoring contractors to present/give oral interviews. The scores from the oral interviews/presentations and/or demonstrations will be added to the scores from the Technical and Cost Proposals. The presentation process will allow the contractors to demonstrate their proposal offering, explaining and/or clarifying any unusual or significant elements related to their proposals. Contractors' key personnel, identified in their proposal, may be requested to participate in a structured interview to determine their understanding of the requirements of this proposal, their authority and reporting relationships within their firm, and their management style and philosophy. Only representatives of the State and the presenting contractor will be permitted to attend the oral interviews/presentations and/or demonstrations. A written copy or summary of the presentation, and demonstrative information (such as briefing charts, et cetera) may be offered by the contractor, but the State reserves the right to refuse or not consider the offered materials. Contractors shall not be allowed to alter or amend their proposals.

Once the oral interviews/presentations and/or demonstrations have been completed, the State reserves the right to make an award without any further discussion with the contractors regarding the proposals received.

Any cost incidental to the oral interviews/presentations and/or demonstrations shall be borne entirely by the contractor and will not be compensated by the State.

**U. BEST AND FINAL OFFER (BAFO)**

Bidder should provide the best offer with the original proposal response and should not expect the State to request a best and final offer (BAFO).

Every bidder may not be given the opportunity to submit a BAFO. Any BAFO requested by the State should be submitted by the bidder to be evaluated (using the stated BAFO criteria) and scored by the Evaluation Committee. The State reserves the right to conduct more than one BAFO. If requested by the State, the BAFO must be submitted on the BAFO Cost Proposal form. Failure to submit a requested BAFO may result in rejection of the bidder's entire proposal response.

**V. REFERENCE AND CREDIT CHECKS**

The State reserves the right to conduct and consider reference and credit checks. The State reserves the right to use third parties to conduct reference and credit checks. By submitting a proposal in response to this solicitation, the bidder grants to the State the right to contact or arrange a visit in person with any or all of the bidder's clients. Reference and credit checks may be grounds to reject a proposal, withdraw an intent to award, or rescind the award of a contract.

**W. AWARD**

The State reserves the right to evaluate proposals and award contracts in a manner utilizing criteria selected at the State's discretion and in the State's best interest. After evaluation of the proposals, or at any point in the solicitation process, the State of Nebraska may take one or more of the following actions:

1. Amend the solicitation,
2. Extend the time of or establish a new proposal opening time,
3. Waive deviations or errors in the State's solicitation process and in bidder proposals that are not material, do not compromise the solicitation process or a bidder's proposal, and do not improve a bidder's competitive position,
4. Accept or reject a portion of or all of a proposal,
5. Accept or reject all proposals,
6. Withdraw the solicitation,
7. Elect to rebid the solicitation,
8. Award single lines or multiple lines to one or more bidders; or,
9. Award one or more all-inclusive contracts.

The solicitation does not commit the State to award a contract. Once intent to award decision has been determined, it will be posted to the Internet at: <http://das.nebraska.gov/materiel/purchasing.html>

Any protests must be filed by a bidder within ten (10) business days after the intent to award decision is posted to the Internet. Grievance and protest procedure is available on the Internet at: <http://das.nebraska.gov/materiel/purchasing.html>

**X. ALTERNATE/EQUIVALENT PROPOSALS**

Bidder may offer proposals which are at variance from the express specifications of the solicitation. The State reserves the right to consider and accept such proposals if, in the judgment of the Materiel Administrator, the proposal will result in goods and/or services equivalent to or better than those which would be supplied in the original proposal specifications. Bidder must indicate on the solicitation the manufacturer's name, number and shall submit with their proposal, sketches, descriptive literature and/or complete specifications. Reference to literature submitted with a previous proposal will not satisfy this provision. Proposals which do not comply with these requirements are subject to rejection. In the absence of any stated deviation or exception, the proposal will be accepted as in strict compliance with all terms, conditions and specification, and the bidder shall be held liable, therefore.

**Y. LUMP SUM OR "ALL OR NONE" PROPOSALS**

The State reserves the right to purchase item-by-item, by groups or as a total when the State may benefit by so doing. Bidders may submit a proposal on an "all or none" or "lump sum" basis but should also submit a proposal on an item-by-item basis. The term "all or none" means a conditional proposal which requires the purchase of all items on which proposals are offered and bidder declines to accept award on individual items; a "lump sum" proposal is one in which the bidder offers a lower price than the sum of the individual proposals if all items are purchased but agrees to deliver individual items at the prices quoted.

**Z. EMAIL SUBMISSIONS**

SPB will not accept proposals by email, voice, or telephone proposals.

**AA. REJECTION OF PROPOSALS**

The State reserves the right to reject any or all proposals, wholly or in part, in the best interest of the State.

**BB. RESIDENT BIDDER**

Pursuant to Neb. Rev. Stat. §§ 73-101.01 through 73-101.02, a Resident Bidder shall be allowed a preference against a Non-resident Bidder from a state which gives or requires a preference to Bidders from that state. The preference shall be equal to the preference given or required by the state of the Nonresident Bidders. Where the lowest responsible bid from a resident Bidder is equal in all respects to one from a nonresident Bidder from a state which has no preference law, the resident Bidder shall be awarded the contract. The provision of this preference shall not apply to any contract for any project upon which federal funds would be withheld because of the provisions of this preference.

II. TERMS AND CONDITIONS

**Bidders should complete Sections II through VI as part of their proposal.** Bidder is expected to read the Terms and Conditions and should initial either accept, reject, or reject and provide alternative language for each clause. The bidder should also provide an explanation of why the bidder rejected the clause or rejected the clause and provided alternate language. By signing the solicitation, bidder is agreeing to be legally bound by all the accepted terms and conditions, and any proposed alternative terms and conditions submitted with the proposal. The State reserves the right to negotiate rejected or proposed alternative language. If the State and bidder fail to agree on the final Terms and Conditions, the State reserves the right to reject the proposal. The State of Nebraska is soliciting proposals in response to this solicitation. The State of Nebraska reserves the right to reject proposals that attempt to substitute the bidder's commercial contracts and/or documents for this solicitation.

The bidders should submit with their proposal any license, user agreement, service level agreement, or similar documents that the bidder wants incorporated in the Contract. The State will not consider incorporation of any document not submitted with the bidder's proposal as the document will not have been included in the evaluation process. These documents shall be subject to negotiation and will be incorporated as addendums if agreed to by the Parties.

If a conflict or ambiguity arises after the Addendum to Contract Award have been negotiated and agreed to, the Addendum to Contract Award shall be interpreted as follows:

- 1. If only one Party has a particular clause then that clause shall control,
- 2. If both Parties have a similar clause, but the clauses do not conflict, the clauses shall be read together,
- 3. If both Parties have a similar clause, but the clauses conflict, the State's clause shall control.

If a Buyer's Representative is appointed, the Contractor will be provided a copy of the appointment document and is expected to cooperate accordingly with the Buyer's Representative. **D. GOVERNING LAW (Statutory)**

Notwithstanding any other provision of this contract, or any amendment or addendum(s) entered into contemporaneously or at a later time, the parties understand and agree that, (1) the State of Nebraska is a sovereign state and its authority to contract is therefore subject to limitation by the State's Constitution, statutes, common law, and regulation; (2) this contract will be interpreted and enforced under the laws of the State of Nebraska; (3) any action to enforce the provisions of this agreement must be brought in the State of Nebraska per state law; (4) the person signing this contract on behalf of the State of Nebraska does not have the authority to waive the State's sovereign immunity, statutes, common law, or regulations; (5) the indemnity, limitation of liability, remedy, and other similar provisions of the final contract, if any, are entered into subject to the State's Constitution, statutes, common law, regulations, and sovereign immunity; and, (6) all terms and conditions of the final contract, including but not limited to the clauses concerning third party use, licenses, warranties, limitations of liability, governing law and venue, usage verification, indemnity, liability, remedy or other similar provisions of the final contract are entered into specifically subject to the State's Constitution, statutes, common law, regulations, and sovereign immunity.

Changes may involve specifications, the quantity of work, or such other items as the State may find necessary or desirable. Corrections of any deliverable, service, or work required pursuant to the contract shall not be deemed a change. The Contractor may not claim forfeiture of the contract by reasons of such changes.

The Contractor shall prepare a written description of the work required due to the change and an itemized cost sheet for the change. Changes in work and the amount of compensation to be paid to the Contractor shall be determined in accordance with applicable unit prices if any, a pro-rated value, or through negotiations. No change shall be implemented by the Contractor until approved by the State, and the Contract is amended to reflect the change and associated costs, if any. If there is a dispute regarding the cost, but both parties agree that immediate implementation is necessary, the change may be implemented, and cost negotiations may continue with both Parties retaining all remedies under the contract and law.

The State may document any instance(s) of products or services delivered or performed which exceed or fail to meet the terms of the purchase order, contract, and/or solicitation specifications. **I. NOTICE OF POTENTIAL CONTRACTOR BREACH**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within Solicitation Response (Initial)	NOTES/COMMENTS:

If Contractor breaches the contract or anticipates breaching the contract, the Contractor shall immediately give written notice to the State. The notice shall explain the breach or potential breach, a proposed cure, and may include a request for a waiver of the breach if so desired. The State may, in its discretion, temporarily or permanently waive the breach. By granting a waiver, the State does not forfeit any rights or remedies to which the State is entitled by law or equity, or pursuant to the provisions of the contract. Failure to give immediate notice, however, may be grounds for denial of any request for a waiver of a breach.

**J. BREACH**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within Solicitation Response (Initial)	NOTES/COMMENTS:

Either Party may terminate the contract, in whole or in part, if the other Party breaches its duty to perform its obligations under the contract in a timely and proper manner. Termination requires written notice of default and a thirty (30) calendar day (or longer at the non-breaching Party's discretion considering the gravity and nature of the default) cure period. Said notice shall be delivered by Certified Mail, Return Receipt Requested, or in person with proof of delivery. Allowing time to cure a failure or breach of contract does not waive the right to immediately terminate the contract for the same or different contract breach which may occur at a different time. In case of default of the Contractor, the State may contract the service from other sources and hold the Contractor responsible for any excess cost occasioned thereby. The State may recover from the Contractor as damages the difference between the costs of covering the breach. Notwithstanding any clause to the contrary, the State may also recover the contract price together with any incidental or consequential damages defined in UCC Section 2-715, but less expenses saved in consequence of Contractor's breach.

The State's failure to make payment shall not be a breach, and the Contractor shall retain all available statutory remedies and protections.

**K. NON-WAIVER OF BREACH**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within Solicitation Response (Initial)	NOTES/COMMENTS:

The acceptance of late performance with or without objection or reservation by a Party shall not waive any rights of the Party nor constitute a waiver of the requirement of timely performance of any obligations remaining to be performed.

**L. SEVERABILITY**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within Solicitation Response (Initial)	NOTES/COMMENTS:

If any term or condition of the contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and conditions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the contract did not contain the provision held to be invalid or illegal.

**M. INDEMNIFICATION**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within Solicitation Response (Initial)	NOTES/COMMENTS:

**1. GENERAL**

The Contractor agrees to defend, indemnify, and hold harmless the State and its employees, volunteers, agents, and its elected and appointed officials ("the indemnified parties") from and against any and all third party claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses ("the claims"), sustained or asserted against the State for personal injury, death, or property loss or damage, arising out of, resulting from, or attributable to the willful misconduct, negligence, error, or omission of the Contractor, its employees, subcontractors, consultants, representatives, and agents, resulting from this contract, except to the extent such Contractor liability is attenuated by any action of the State which directly and proximately contributed to the claims.

**2. INTELLECTUAL PROPERTY**

The Contractor agrees it will, at its sole cost and expense, defend, indemnify, and hold harmless the indemnified parties from and against any and all claims, to the extent such claims arise out of, result from, or are attributable to, the actual or alleged infringement or misappropriation of any patent, copyright, trade secret, trademark, or confidential information of any third party by the Contractor or its employees, Subcontractors, consultants, representatives, and agents; provided, however, the State gives the Contractor prompt notice in writing of the claim. The Contractor may not settle any infringement claim that will affect the State's use of the Licensed Software without the State's prior written consent, which consent may be withheld for any reason.

If a judgment or settlement is obtained or reasonably anticipated against the State's use of any intellectual property for which the Contractor has indemnified the State, the Contractor shall, at the Contractor's sole

cost and expense, promptly modify the item or items which were determined to be infringing, acquire a license or licenses on the State's behalf to provide the necessary rights to the State to eliminate the infringement, or provide the State with a non-infringing substitute that provides the State the same functionality. At the State's election, the actual or anticipated judgment may be treated as a breach of warranty by the Contractor, and the State may receive the remedies provided under this solicitation.

**3. PERSONNEL**

The Contractor shall, at its expense, indemnify and hold harmless the indemnified parties from and against any claim with respect to withholding taxes, worker's compensation, employee benefits, or any other claim, demand, liability, damage, or loss of any nature relating to any of the personnel, including subcontractor's and their employees, provided by the Contractor.

**4. SELF-INSURANCE**

The State of Nebraska is self-insured for any loss and purchases excess insurance coverage pursuant to Neb. Rev. Stat. § 81-8,239.01 (Reissue 2008). If there is a presumed loss under the provisions of this agreement, Contractor may file a claim with the Office of Risk Management pursuant to Neb. Rev. Stat. §§ 81-8,829 – 81-8,306 for review by the State Claims Board. The State retains all rights and immunities under the State Miscellaneous (§ 81-8,294), Tort (§ 81-8,209), and Contract Claim Acts (§ 81-8,302), as outlined in Neb. Rev. Stat. § 81-8,209 et seq. and under any other provisions of law and accepts liability under this agreement to the extent provided by law.

- 5.** The Parties acknowledge that Attorney General for the State of Nebraska is required by statute to represent the legal interests of the State, and that any provision of this indemnity clause is subject to the statutory authority of the Attorney General.

**N. ATTORNEY'S FEES**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within Solicitation Response (Initial)	NOTES/COMMENTS:

In the event of any litigation, appeal, or other legal action to enforce any provision of the contract, the Parties agree to pay all expenses of such action, as permitted by law and if ordered by the court, including attorney's fees and costs, if the other Party prevails.

**O. ASSIGNMENT, SALE, OR MERGER**

Accept (Initial)	Reject (Initial)	Reject & Provide Alternative within Solicitation Response (Initial)	NOTES/COMMENTS:

Either Party may assign the contract upon mutual written agreement of the other Party. Such agreement shall not be unreasonably withheld.

The Contractor retains the right to enter into a sale, merger, acquisition, internal reorganization, or similar transaction involving Contractor's business. ## V. PROJECT DESCRIPTION AND SCOPE OF WORK

The bidder should provide the following information in response to this solicitation.

### A. PURPOSE AND BACKGROUND

The Nebraska Financial Innovation Act (NRS §§ 8-3001 to 8-3031) ("the Act") or referenced as Nebraska Financial Innovation Act ("NFIN") enacted by the 2021 Nebraska Legislature created a regulated structure to build a defined entrepreneurial ecosystem for financial services to deliver digital bank services, blockchain/distributed ledger innovation and customer fintech solutions. The Act aims to foster economic development through digital asset operations, prioritizing Nebraska high tech jobs and opportunities for Nebraska leadership in this emerging technology. The Act states that rapid innovation of blockchain and digital ledger technologies has complicated development of blockchain services and products; yet blockchain innovators are able to address banking's systemic issues of customer identification, anti-money laundering and beneficial ownership.

The Act defines two unique charters, a free-standing Digital Depository Institution and a Digital Depository Department within a traditional bank. The impact of the Act structure is to responsibly assist individuals in digital asset funds management, creation of a fiat backed digital asset, digital asset custodial services, and efficient and effective funds navigation of payment systems. The NFIN Charters may not directly lend fiat funds, including overdrafts; however, the NFIN Charters may issue digital assets utilizing blockchain technology and engage in controllable electronic record exchange, staking, controllable electronic record lending, and controllable electronic record borrowing. The NFIN Charter's may have branches in other states.

The NFIN Charters' responsibility includes addressing consumer complaints, assisting with financial literacy of Nebraskans, meeting the digital needs of the communities in which it operates, accepting digital asset deposits or providing digital asset services to individual customers or to a customer that is a legal entity conducting business lawfully under the laws of Nebraska, the host state and the federal government.

The NFIN is subject to the Interstate Branching and Merger Act, the Nebraska Banking Act, the Nebraska Bank Holding Company Act of 1995, other provisions of Chapter 8 of the Nebraska Statutes, and the Bank Secrecy Act in addition to the Financial Innovation Act.

The Nebraska Department of Banking and Finance (NDBF) is the primary regulator/supervisor and chartering authority for the NFIN Charters. The Federal Reserve and Federal Deposit Insurance Corporation may play a role in the supervisory process.

### B. INTERNAL AND EXTERNAL FACTORS

1. The creation, utilization, and responsible regulation of digital assets is rapidly changing.
2. NFIN Institution and Department are chartered in Nebraska and must consider safety and soundness, purpose, market, exchange and payment systems regardless of digital construct and geographic location.
3. Regulatory guidance must innovatively consider existing State(s), Federal, SEC, and international guidance in both a regulatory perspective and from an enforcement perspective.
4. Innovative safety and soundness guidance must transparently address expected regulated activities of individual asset(s), customers, network (definition and purpose), NFIN Institution or Department, third party reliance, risk quantification.
5. Innovative regulatory information collection (call report) and regulatory reporting back (report of Exam) to the NFIN must consider the purpose of the Act in addition to traditional measures of compliance and safety and soundness.

### C. PROJECT REQUIREMENTS

1. Examination Manual and Training: Deliver an updated Federal Financial Institution Examination Council (FFIEC) Examination manual as amended by the Wyoming SPDI legislation, or similar, and provide related training to conduct NFIN (Institution and Department) safety and soundness and compliance examinations, including the range of potential digital asset related offerings that may be considered within the scope of the examination. Guidance is to consider existing examination documentation available from other regulatory sources; however, original work and not simply consolidation of existing related guidance is required.
2. Charter Ecosystem: Deliver a guidance document referencing the risks, opportunities and suggested regulatory oversight to be provided by the Department, of NFIN Charters and related impact to the entrepreneurial ecosystem. Identify the areas of risk addressed in the prepared manuals (directly related to examination activities) as well as area of future or evolving risk that will not be addressed in presented NFIN chartered examination processes such as those evident in clearing networks or wallet environments.

3. Digital Depositories Operational Recommendations: Deliver a guidance document referencing administrative and technical issues and regulatory procedures for the creation of a digital depository, control of custodial digital assets (public private key control processes), control of issued digital assets and/or electronically controllable records, reserves for digital asset accounting (custodial or created), and the process, in the event of insolvency, for resolution of NFIN Charters including identification and control of related digital assets, deposits, custodial activity and related.
4. Digital Depository Call Report: Deliver a capable yet innovative regulatory reporting plan defining a process to provide the NDBF with timely NFIN financial, digital asset, and performance key indicators segmenting appropriate public and nonpublic routine reporting.
5. NFIN Rules: Deliver regulatory rule considerations and suggestions to adequately define, identify, control and regulate the NFIN Charters.

**D. SCOPE OF WORK**

## VI. PROPOSAL INSTRUCTIONS

This section documents the requirements that should be met by contractors in preparing the Technical and Cost Proposal. Contractors should identify the subdivisions of "Project Description and Scope of Work" clearly in their proposals; failure to do so may result in disqualification. Failure to respond to a specific requirement may be the basis for elimination from consideration during the State's comparative evaluation.

Proposals are due by the date and time shown in the Schedule of Events. Content requirements for the Technical and Cost Proposal are presented separately in the following subdivisions: format and order:

### A. PROPOSAL SUBMISSION

1. **CORPORATE OVERVIEW** The Corporate Overview section of the Technical Proposal should consist of the following subdivisions:

- a. **CONTRACTOR IDENTIFICATION AND INFORMATION**

The contractor should provide the full company or corporate name, address of the company's headquarters, entity organization (corporation, partnership, proprietorship), state in which the contractor is incorporated or otherwise organized to do business, year in which the contractor first organized to do business and whether the name and form of organization has changed since first organized.

- b. **FINANCIAL STATEMENTS**

The contractor should provide financial statements applicable to the firm. If publicly held, the contractor should provide a copy of the corporation's most recent audited financial reports and statements, and the name, address, and telephone number of the fiscally responsible representative of the contractor's financial or banking organization.

If the contractor is not a publicly held corporation, either the reports and statements required of a publicly held corporation, or a description of the organization, including size, longevity, client base, areas of specialization and expertise, and any other pertinent information, should be submitted in such a manner that proposal evaluators may reasonably formulate a determination about the stability and financial strength of the organization. Additionally, a non-publicly held firm should provide a banking reference.

The contractor must disclose any and all judgments, pending or expected litigation, or other real or potential financial reversals, which might materially affect the viability or stability of the organization, or state that no such condition is known to exist.

The State may elect to use a third party to conduct credit checks as part of the corporate overview evaluation.

- c. **CHANGE OF OWNERSHIP**

If any change in ownership or control of the company is anticipated during the twelve (12) months following the proposal due date, the contractor should describe the circumstances of such change and indicate when the change will likely occur. Any change of ownership to an awarded contractor(s) will require notification to the State.

- d. **OFFICE LOCATION**

The contractor's office location responsible for performance pursuant to an award of a contract with the State of Nebraska should be identified.

- e. **RELATIONSHIPS WITH THE STATE**

The contractor should describe any dealings with the State over the previous five (5) years. If the organization, its predecessor, or any Party named in the contractor's proposal response has contracted with the State, the contractor should identify the contract number(s) and/or any other information available to identify such contract(s). If no such contracts exist, so declare.

- f. **CONTRACTOR'S EMPLOYEE RELATIONS TO STATE**

If any Party named in the contractor's proposal response is or was an employee of the State within the past sixty (60) months, identify the individual(s) by name, State agency with whom employed, job title or position held with the State, and separation date. If no such relationship exists or has existed, so declare.

If any employee of any agency of the State of Nebraska is employed by the contractor or is a Subcontractor to the contractor, as of the due date for proposal submission, identify all such persons by name, position held with the contractor, and position held with the State (including job title and agency). Describe the responsibilities of such persons within the proposing organization. If, after review of this information by the State, it is determined that a conflict of interest exists or may exist, the contractor may be disqualified from further consideration in this proposal. If no such relationship exists, so declare.

**g. CONTRACT PERFORMANCE**

If the contractor or any proposed Subcontractor has had a contract terminated for default during the past five (5) years, all such instances must be described as required below. Termination for default is defined as a notice to stop performance delivery due to the contractor's non-performance or poor performance, and the issue was either not litigated due to inaction on the part of the contractor or litigated and such litigation determined the contractor to be in default.

It is mandatory that the contractor submit full details of all termination for default experienced during the past five (5) years, including the other Party's name, address, and telephone number. The response to this section must present the contractor's position on the matter. The State will evaluate the facts and will score the contractor's proposal accordingly. If no such termination for default has been experienced by the contractor in the past five (5) years, so declare.
