Dear Ms. Walton and Ms. Heinrich:

Money Network Financial, LLC (Money Network), a wholly owned indirect subsidiary of Fiserv, Inc., (NASDAQ: FISV,) is pleased to submit our Cost Proposal in attached file 03 in response to the State of Nebraska (the State) Request for Proposal for Prepaid Card Services (Number 6660 Z1).

We have reviewed the State provided pricing information and confirm that all prices quoted shall be net, including transportation and delivery charges fully prepaid by the contractor, F.O.B. destination named in the solicitation. No additional charges will be allowed for packing, packages, or partial delivery costs. When a mathematical error has been made in the extended total, the unit price will govern.

All prices, costs, and terms and conditions submitted in the proposal shall remain fixed and valid commencing on the opening date of the proposal until the contract terminates or expires. Fiserv understands the State reserves the right to deny any requested price increase. No price increases will be billed to any State agencies prior to a written amendment of the contract by the parties.

The State will be given full proportionate benefit of any decreases for the term of the contract. Fiserv's senior management and entire team is committed to establishing a lasting and meaningful relationship with the State. We stand ready to deliver a solution that enables you to rapidly adapt to changing business needs and keep pace with digital transformation. We look forward to taking the next steps with the State.

Sincerely,

Jose Garcia, Senior Vice President
