1			Would there be any way you could extend the due date for this bid? I just spoke with Anjail. She said we are expecting to have 2023 pricing available by the end of this month. Just asking if you could extend it out a couple of weeks. We would greatly appreciate that if you could.	In order to increase competition in the bid process. The State of Nebraska is extending the date of bid opening to August 9 th , 2022 @ 2pm Central Time.
2			The opening bid for trucks is scheduled for July 26th. Ram current does not have pricing for 2023 model year, although we are expecting it by month end. When does this bid close? Is there potential for an extension?	In order to increase competition in the bid process. The State of Nebraska is extending the date of bid opening to August 9 th , 2022 @ 2pm Central Time.

This addendum will become part of the ITB and should be acknowledged with the Invitation to Bid
