### Questions and Answers

Following are the questions submitted and answers provided for the above mentioned Request for Proposal. The questions and answers are to be considered as part of the Request for Proposal. It is the Bidder's responsibility to check the State Purchasing Bureau website for all addenda or amendments.

Question Number	RFP Section Reference	RFP Page Number	Question	State Response
1.	III.G. Insurance Requirements	22	The RFP requests \$25 million in cyber liability insurance. We typically expect a variety of minimum insurance qualifications for a project of this nature. While we are interested in this work, the amount of cyber liability insurance required may be prohibitive for us. Is there a specific reason for \$25 million? Would NPERS consider lowering the minimum amount?	Cyber Liability is hereby reduced to \$5,000,000.

The following section shall be removed in its entirety and replaced with the following:

#### **VI. PROPOSAL INSTRUCTIONS**

##### **A. PROPOSAL SUBMISSION**
