1.			I am still unclear of the onsite need by date of the shelters. [REDACTED] lead times are currently Q3 2024 and I wanted to be sure that this would fit into the State of Nebraska's schedule prior to the bid submission. Can you confirm?	The state finds that a lead time of Q3 2024 would be acceptable and could be made to work with the existing construction schedule.

This Addendum will become part of the ITB and should be acknowledged with the ITB.
