

Reject all Bids Justification Form

Requesting Agency: NDOT

Date: 10-12-23

Bid Number: 6812 OF

Description of Bid: Pavement Markers

Reason for Rejection Request:

NDOT requested all bids for ITB 6812 Of be rejected due to samples language being left out of the ITB. NDOT had the products listed as each two vendors bid per box and the 3rd vendor bid each. On the ITB the products were listed as each and should have been per box.

NDOT will be rewriting the ITB for rebid.

It is my recommendation to Rebid this again to achieve maximum competition.
