

**ADDENDUM TWO
QUESTIONS and ANSWERS
6823 OF**

Date: October 12, 2023

To: All Bidders

From: Brenda Sensibaugh, Procurement Contracts Officer
AS Materiel State Purchasing Bureau (SPB)

RE: Addendum for Invitation to Bid (ITB) Number 6804 OF for Clear Roads Non-Corrosion Inhibited Solid Sodium Chloride (Category 8 C-R Fine Gradation Salt) to be opened on October 17, 2023, at 2:00 p.m. Central Time

Following are the questions submitted and answers provided for the above-mentioned ITB. The questions and answers are to be considered as part of the ITB.

It is the Bidder's responsibility to check the SPB website for all Addenda or Amendments.

<u>Question Number</u>	<u>ITB Section Reference</u>	<u>ITB Page Number</u>	<u>Question</u>	<u>State Response</u>
1			. In regard to ITB Number 6823 OF - Clear Roads Non-Corrosion Inhibited Solid Sodium Chloride (Category 8 C-R Fine Gradation Salt) we would like clarification on the DOT's intent for usage from materials on this bid. Is the purpose for producing brine solution? If so, we think it is imperative that the State realize that the Ice Slicer Near Zero product cannot be used to make liquid brine if that was the intent of this bid. Please advise so that we can continue to pursue this opportunity and provide the best product that the state requires and avoid any confusion post award.	NDOT does not intend to use the products in this category for brining purposes. Products submitted for bid must meet the specifications stated in 6823 OF, Section VI, C Technical Specifications-Clear Roads Non-Corrosion Inhibited Solid Sodium Chloride (Category 8 C-R Fine Gradation Salt). Numbers 1 – 4.

This Addendum will become part of the ITB and should be acknowledged with the ITB.
