**It is the Bidder's responsibility to check the SPB website for all Addenda or Amendments.**

<u>Question Number</u>	<u>ITB Section Reference</u>	<u>ITB Page Number</u>	<u>Question</u>	<u>State Response</u>
1	VI. Technical Specifications, Section C Title/ Description of Goods	Page 19	In Line Item 1 it says Harness/Frame (Basic) with 45 minute bottle and in Line item 3 it says Harness SCBA with EBSS and with a 45 minute bottle. Are you asking for two different SCBA to be bid? Or are you asking for the Basic SCBA with EBSS added to it?	The State is looking for a basic SCBA with the EBSS since all SCBA systems are now required to have the EBSS.

This Addendum will become part of the ITB and should be acknowledged with the ITB.
