Questions and Answers

Following are the questions submitted and answers provided for the above-mentioned ITB. The questions and answers are to be considered as part of the ITB.

Section I, Subsection N is hereby removed and replaced with the following:

N. BID OPENING

Anyone may attend the opening. It is considered a public opening. The Buyer will read the names of the respondents **ONLY**. Once the bid opening has concluded, the bids **WILL NOT** be available for viewing until the Intent to Award has been posted. An initial bid tabulation will be posted to the website as soon as feasible. Information identified as proprietary by the submitting contractor, in accordance with the solicitation and state statute, will not be posted. If the state determines submitted information should not be withheld, in accordance with the [Public Records Act](#), or if ordered to release any withheld information, said information may then be released. The submitting contractor will be notified of the release and it shall be the obligation of the submitting contractor to take further action if it believes the information should not be released.

It is the Bidder's responsibility to check the SPB website for all Addenda or Amendments.
